

Cleaning Rod for Handguns, Power-Line Profi, Stainless Steel - for Cal. .22-6.5mm

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

The cleaning rods are made of stainless steel (Power-Line Profi) or a lighter aluminum alloy (Fun-Line Sport) with a non-slip and ergonomic polyamide handle. This contains two maintenance-free and smooth-running ball bearings, so that the VFG barrel cleaner screwed onto the adapter can follow the movements during the cleaning process.

Depending on the application, we recommend the 1- or 3-part cleaning rod. The advantage of the one-piece design is the stability - the three-piece impresses with its compact design, e.g. on the go. The three-part design can be used universally for long and short weapons and therefore offers an additional benefit.

Safety Instructions for CLEANING ROD FOR HANDGUNS, POWERLINE PROFI, STAINLESS STEEL FOR CAL. .22-6.5MM

Introduction

Thank you for choosing the CLEANING ROD FOR HANDGUNS, POWERLINE PROFI, STAINLESS STEEL FOR CAL. .22-6.5MM. This product is designed to provide effective cleaning for handguns with calibers ranging from .22 to 6.5mm. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the cleaning rod according to the manufacturer's instructions.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Do not use the cleaning rod for purposes other than intended.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the cleaning rod.
- Always point the firearm in a safe direction when cleaning.
- Use the cleaning rod only with the recommended caliber (.22 6.5mm).
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.
- Do not use the cleaning rod in wet or damp conditions to prevent slipping.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, cleaning patches, and solvent.

2. Assembly:

- If using the threepart cleaning rod, assemble it according to the instructions provided.
- Ensure that the adapter is securely attached to the cleaning rod.

3. Cleaning Process:

- Attach the VFG barrel cleaner to the adapter.
- Insert the cleaning rod into the firearm's barrel from the chamber end.
- Gently push the cleaning rod through the barrel, allowing the barrel cleaner to remove fouling.
- Repeat the process as necessary, using fresh cleaning patches and solvent as needed.

4. PostCleaning:

- After cleaning, remove the cleaning rod and barrel cleaner from the firearm.
- Wipe down the cleaning rod and store it in a safe, dry place.

Disposal Instructions

- Dispose of any cleaning patches, solvents, or other materials used during the cleaning process according to local regulations.
- The cleaning rod itself can be disposed of as metal waste. Check with your local waste management facility for specific guidelines.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's website or contact customer support through the provided channels.

By following these safety instructions, you can ensure a safe and effective cleaning experience with the CLEANING ROD FOR HANDGUNS, POWERLINE PROFI, STAINLESS STEEL FOR CAL. .22-6.5MM. Thank you for your attention to safety.
