

# Firearm Pocket Set - for Cal. .22-.50

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Suitable for all rifle and shotgun calibers. Despite the compact design, the Pocket Set offers an extensive interior. A plastic-coated steel cable (the flexible "cleaning rod") and a grip disc are part of the set.

Handling is quick and easy: you push the rope through the barrel, attach the barrel cleaner to the adapter on the front and pull the rope with the aid of the grip disc through the barrel. Repeat this process three or four times - done. Oiling and de-oiling work in the same way.

# **FIREARM POCKET SET FOR CAL. .22.50 Safety Instructions**

## **Introduction**

Thank you for choosing the FIREARM POCKET SET FOR CAL. .22.50. This product is designed to assist you in cleaning and maintaining your firearms safely and effectively. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always handle firearms with care and follow all safety protocols.
- Ensure that the firearm is unloaded before using the Pocket Set.
- Keep the Pocket Set and all cleaning materials out of reach of children.
- Use the product only for its intended purpose as outlined in this guide.
- If you notice any damage to the Pocket Set or its components, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Wear safety glasses to protect your eyes from debris when cleaning firearms.
- Avoid using the Pocket Set in wet or damp conditions to prevent slipping and accidents.
- Do not force the cleaning rod through the barrel; if resistance is felt, stop and assess the situation.
- Ensure that the cleaning rod is suitable for the caliber of your firearm before use.
- Do not leave the cleaning rod unattended in the barrel of a firearm.
- Always follow the manufacturer's instructions for cleaning and maintenance.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all components of the Pocket Set: metal box, plasticcoated steel cable, and handle.

### **2. Using the Cleaning Rod**

- Insert the plasticcoated steel cable into the barrel of the firearm.
- Attach the barrel cleaner to the adapter on the front of the cable.
- Using the grip disc, pull the cable through the barrel carefully.
- Repeat this process three or four times to ensure thorough cleaning.

### **3. Oiling and Deoiling**

- After cleaning, if necessary, apply oil to the firearm using the same method as above.
- Ensure the oil is suitable for firearms and is applied sparingly.

### **4. PostUse Care**

- After use, clean and store the Pocket Set in its metal box.
- Ensure all components are dry before storage to prevent rust and damage.

## **Disposal Instructions**

- Dispose of any used cleaning materials in accordance with local regulations.
- The Pocket Set itself can be disposed of as regular metal waste once it has reached the end of its lifespan.
- Do not dispose of the product in general household waste if it contains hazardous materials; check local guidelines for disposal of such items.

## **Contact Information for Further Support**

For any questions or concerns regarding the FIREARM POCKET SET FOR CAL. .22.50, please refer to the manufacturer's website or customer service resources for assistance.

Please keep this safety instruction guide for future reference. Thank you for prioritizing safety and responsible firearm maintenance.
