

Match Pocket Set - for Cal. 4-5.5mm

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

For CO2 and air guns. The pocket set has been specially designed so that it cannot cause any damage even to high-precision match rifles.

Handling is quick and easy: you push the rope through the barrel, attach the barrel cleaner to the adapter on the front and pull with the Grip the rope through the barrel. Repeat this process three or four times - done. Oiling and de-oiling work in the same way.

MATCH POCKET SET FOR CAL. 45.5MM Safety Instruction Guide

Introduction

Thank you for choosing the MATCH POCKET SET FOR CAL. 45.5MM. This product is designed for use with CO2 and air guns, and it ensures safe handling and maintenance of highprecision match rifles. This safety instruction guide provides essential information to ensure the safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the MATCH POCKET SET only with firearms that are compatible with the 45.5mm caliber.
- Always ensure that the firearm is unloaded before using the pocket set.
- Avoid using the product in wet or damp conditions.
- Do not force the rope through the barrel; if you encounter resistance, stop and check for obstructions.
- Use the product in a wellventilated area to avoid inhaling any cleaning agents.
- Wear protective eyewear when handling the product to prevent any accidental splashes.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all components of the MATCH POCKET SET: metal box, plasticcoated steel cable, and handle.

2. Using the Pocket Set:

- Push the rope through the barrel of the firearm.
- Attach the barrel cleaner to the adapter located at the front of the rope.
- Grip the handle firmly and pull the rope through the barrel.
- Repeat this process three to four times to ensure thorough cleaning.
- For oiling and deoiling, follow the same procedure as above.

3. PostUse Care:

- After use, clean and store the MATCH POCKET SET in the metal box to protect it from damage.
- Ensure that the product is kept dry and away from direct sunlight.

Disposal Instructions

- Dispose of the MATCH POCKET SET in accordance with local regulations.
- Do not dispose of the product in household waste.

- Consider recycling components where facilities are available.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MATCH POCKET SET, please reach out to the designated EU contact point. Ensure you have the product details ready for reference.

Thank you for prioritizing safety while using the MATCH POCKET SET. Your adherence to these instructions contributes to a safer environment for all users.
