# Safety Instruction Guide for ADAPTER (INTERNAL THREAD M5) FROM 7.5MM

## Introduction

Thank you for choosing the ADAPTER (INTERNAL THREAD M5) FROM 7.5MM. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before use to understand how to handle, install, and dispose of the adapter safely.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the adapter out of reach of children and vulnerable individuals.
- Regularly inspect the adapter for any signs of damage or wear before use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the adapter.
- Do not use the adapter if it is damaged or if the internal thread is worn out.
- Ensure that the adapter is securely attached to the cleaning rod before use to prevent accidents.
- Avoid using excessive force when attaching or detaching the adapter to prevent stripping the threads.
- Use the adapter only with compatible cleaning rods to ensure safe operation.
- Do not expose the adapter to extreme temperatures or harsh chemicals, as this may compromise its integrity.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the cleaning rod is clean and free of debris.
- Align the internal thread of the adapter with the cleaning rod's external thread.
- Gently screw the adapter onto the cleaning rod by turning it clockwise until it is securely fastened.
- Do not overtighten, as this can damage the threads.

### 2. Usage:

- Use the cleaning rod with the attached adapter as per the manufacturer's instructions for cleaning.
- After use, carefully detach the adapter from the cleaning rod by turning it counterclockwise.
- Store the adapter in a dry, cool place when not in use to prevent corrosion.

## Disposal Instructions

- Dispose of the adapter in accordance with local waste disposal regulations.
- Do not dispose of the adapter in household waste; check for designated recycling centers or programs.
- Ensure that the product is disposed of in a manner that prevents harm to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the ADAPTER (INTERNAL THREAD M5) FROM 7.5MM, please refer to the manufacturer's contact information provided with the product packaging or visit the official website for more details.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new adapter responsibly.
