# Safety Instruction Guide for REDUCER A=M5 A=1/8"

## Introduction

Thank you for choosing the REDUCER A=M5 A=1/8". This product is designed to provide a reliable connection between VFG cleaning rods and accessories. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children to prevent accidental injury.
- Use the product only for its intended purpose to avoid accidents.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the threads are clean and free from debris before connecting.
- Do not overtighten the connections as this may cause damage to the threads.
- Use appropriate personal protective equipment (PPE) such as gloves when handling the product.
- Avoid exposure to extreme temperatures or harsh chemicals that may affect the integrity of the product.
- If you experience any difficulties during use, stop and consult the instructions or seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and cleaning rods before starting the installation.
- Ensure you are in a welllit and clutterfree workspace.

### 2. Installation:

- Align the M5 external thread of the REDUCER with the compatible cleaning rod.
- Gently screw the REDUCER onto the cleaning rod until secure. Do not force the connection.
- Attach the 1/8" external thread to the desired accessory, ensuring it is also securely fastened.

### 3. Usage:

- Use the connected cleaning rod and REDUCER as per the manufacturer's guidelines for cleaning.
- Monitor the connection during use for any signs of loosening or wear.

### 4. PostUse:

- After use, detach the REDUCER from both the cleaning rod and accessory.
- Clean the REDUCER and store it in a safe, dry location.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options in your area.

- If the product is damaged beyond repair, ensure it is safely discarded to prevent injury.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the REDUCER A=M5 A=1/8", please consult the retailer or manufacturer for assistance. Ensure you have your product details available for reference.

By following these safety instructions, you can help ensure a safe and effective experience with the REDUCER A=M5 A=1/8". Thank you for your attention to safety.
