Safety Instruction Guide for REDUCER Reducer (9/32" to M5 Internal Thread)

Introduction

Thank you for choosing the REDUCER Reducer (9/32" to M5 internal thread). This product is designed to facilitate the connection of cleaning rods with different thread types. It is essential to follow safety guidelines and instructions to ensure safe and effective use.

General Safety Guidelines

- Always inspect the product for any visible damage before use.
- Ensure that the reducer is compatible with your cleaning rod and equipment.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- If you notice any malfunction or damage during use, stop using the product immediately.

Specific Safety Precautions for Use

- *Compatibility:* Verify that the external thread (9/32") and internal thread (M5) match your cleaning rod specifications.
- *Secure Fit:* Ensure that the reducer is securely attached to both the cleaning rod and any attachments to prevent accidental detachment.
- *Avoid OverTightening:* Do not overtighten the reducer, as this may cause damage to the threads or the cleaning rod.
- *Use Protective Gear:* When using cleaning rods, consider wearing safety goggles to protect your eyes from debris.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary equipment, including the cleaning rod and any attachments.
- Ensure that your workspace is clean and free of obstructions.

2. Installation:

- Take the REDUCER Reducer and align the external thread (9/32") with the corresponding part of your cleaning rod.
- Gently screw the reducer onto the cleaning rod until it is handtight.
- Next, align the internal thread (M5) with the attachment you wish to connect, and screw it in securely.

3. Usage:

- Once installed, use the cleaning rod as instructed by the manufacturer for your specific cleaning needs.
- Monitor the reducer during use to ensure it remains securely attached.

4. PostUse:

- After using the cleaning rod, carefully detach the reducer by unscrewing it from both the cleaning rod and the attachment.

- Clean the reducer and store it in a safe, dry place.

Disposal Instructions

- Do not dispose of the product with regular household waste.
- Follow local regulations for the disposal of nonfood product materials.
- Consider recycling the product if applicable.

Contact Information for Further Support

For any safety inquiries or further support regarding the REDUCER Reducer, please contact your retailer or manufacturer. Always ensure you have the product details on hand when seeking assistance.

By adhering to these safety instructions, you help ensure a safe and effective experience with the REDUCER Reducer. Thank you for prioritizing safety!
