

# Barrel Cleaner intensive, 100 pcs. - for Cal. 4-4.5mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

# Safety Instruction Guide for BARREL CLEANER INTENSIVE, 100 PCS. FOR CAL. 4-4.5MM

## Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE, designed for effective cleaning of firearms with a caliber of 4-4.5mm. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the instructions provided.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Inspect the product before use for any signs of damage or wear. Do not use if damaged.
- Follow local regulations regarding the use and disposal of cleaning materials.
- Report any incidents or unsafe conditions to the appropriate authorities immediately.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as gloves and eye protection, when using cleaning products.
- Avoid inhaling dust or particles generated during the cleaning process.
- Use in a wellventilated area to minimize exposure to cleaning agents.
- Do not use the barrel cleaner on hot surfaces or immediately after firing the firearm.
- Ensure that the firearm is unloaded before cleaning to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary materials, including the barrel cleaner and any additional cleaning tools you may require.

### 2. Using the Barrel Cleaner:

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Push the cleaner through the barrel slowly and evenly to ensure thorough cleaning.
- Repeat as necessary until the desired cleanliness is achieved.
- Dispose of used barrel cleaners according to local waste disposal regulations.

### 3. PostCleaning:

- After cleaning, inspect the barrel and chamber for any remaining debris.
- Store the barrel cleaner in a cool, dry place away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the barrel cleaner and any cleaning residues in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if local regulations prohibit it.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the BARREL CLEANER INTENSIVE, please refer to your local EU contact point for product safety inquiries.

Thank you for your attention to these safety instructions. Your safety is our priority.
