

# QUICK CLEANING-PLUG - FOR CAL. 4,5/.177 - Quick cleaning-Plug, 100 pcs. - for Cal. 4.5/.177

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

VFG quick cleaning plugs are compact and available in all common caliber sizes. They have a diameter that fits snugly into the barrel of your weapon. If the shot is now triggered, the overpressure in the barrel and the rapid acceleration compresses the length of the felt. The felt plug presses into the cables and follows the twist. Every part of the barrel is reliably cleaned. In order to prevent fiber particles from remaining in the barrel, we generally recommend inserting a pointed diabolo behind the felt element in the barrel and shooting both through together.

# QUICK CLEANINGPLUG FOR CAL. 4.5/.177 Safety Instruction Guide

## Introduction

Thank you for choosing the QUICK CLEANINGPLUG for Caliber 4.5/.177. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before use to avoid any potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always handle the product with care and follow all instructions provided.
- Report any unsafe product conditions or incidents to the relevant authorities.
- Regularly check for updates or recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always inspect the cleaning plugs for damage before use. Do not use if any plugs are broken or worn.
- Use only the correct caliber cleaning plugs (4.5/.177) for your specific firearm.
- Do not insert the cleaning plug into the barrel when the firearm is loaded.
- Ensure that the firearm is unloaded and pointed in a safe direction before cleaning.
- Follow the manufacturer's instructions for cleaning and maintenance of your firearm.
- Avoid using excessive force when inserting or removing the cleaning plugs to prevent damage to the barrel.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather your cleaning plugs and any necessary tools.

### 2. Inserting the Cleaning Plug:

- Take one cleaning plug and insert it into the barrel of your firearm.
- Ensure that the plug fits snugly and does not obstruct the barrel.

### 3. Shooting the Cleaning Plug:

- If desired, insert a pointed diabolo pellet behind the felt cleaning plug in the barrel.
- Fire the weapon as normal. The overpressure will compress the felt and clean the barrel effectively.

### 4. PostUse:

- After cleaning, inspect the barrel to ensure that no fiber particles are left behind.
- Clean any remaining residue from the barrel according to the manufacturer's guidelines.

## Disposal Instructions

- Dispose of used cleaning plugs in accordance with local waste disposal regulations.

- Do not dispose of cleaning plugs in water bodies or public areas.
- Ensure that cleaning plugs are disposed of in a manner that prevents access by children or pets.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the EUbased contact point provided by the manufacturer.

By following these safety instructions, you can ensure a safe and effective cleaning process for your firearm using the QUICK CLEANINGPLUG for Caliber 4.5/.177. Thank you for your attention to these important safety guidelines.
