

## Quick cleaning-Plug, 80 pcs. - for Cal. 5.5/.22

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

VFG quick cleaning plugs are compact and available in all common caliber sizes. They have a diameter that fits snugly into the barrel of your weapon. If the shot is now triggered, the overpressure in the barrel and the rapid acceleration compresses the length of the felt. The felt plug presses into the cables and follows the twist. Every part of the barrel is reliably cleaned. In order to prevent fiber particles from remaining in the barrel, we generally recommend inserting a pointed diabolo behind the felt element in the barrel and shooting both through together.

# QUICK CLEANINGPLUG, 80 PCS. FOR CAL. 5.5/.22

## Safety Instruction Guide

### Introduction

Thank you for choosing the VFG QUICK CLEANINGPLUG. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

### General Safety Guidelines

- Always ensure that the product is suitable for your specific firearm caliber (5.5/.22).
- Store the cleaning plugs in a safe place, out of reach of children and pets.
- Inspect the cleaning plugs for any damage before use. Do not use damaged plugs.
- Use the product only for its intended purpose, as described in this guide.
- Follow all local laws and regulations regarding the use of cleaning supplies and firearms.

### Specific Safety Precautions for Use

- Ensure that your firearm is unloaded before inserting the cleaning plug.
- Do not attempt to clean a loaded firearm.
- Use eye protection when cleaning your firearm.
- Avoid using excessive force when inserting or removing the cleaning plug to prevent damage to the barrel.
- If you experience any issues or notice any unusual behavior during use, stop immediately and consult a professional.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather your cleaning materials, including the QUICK CLEANINGPLUG and any additional cleaning supplies.

#### 2. Inserting the Cleaning Plug:

- Take a cleaning plug from the package.
- Insert the plug into the barrel of your firearm. Ensure it fits snugly.
- If using a pointed diabolo behind the felt element, insert it into the barrel after the cleaning plug.

#### 3. Shooting:

- Once the cleaning plug is in place, you may proceed to fire the firearm.
- The overpressure in the barrel will compress the felt and effectively clean the barrel.

#### 4. PostUse:

- After cleaning, remove any remaining felt or cleaning materials from the barrel.
- Inspect the barrel for any debris or residue.

### Disposal Instructions

- Dispose of used cleaning plugs in accordance with local regulations.

- Do not dispose of cleaning plugs in household waste. Check for recycling options or designated disposal sites.

## **Contact Information for Further Support**

For any questions or concerns regarding the QUICK CLEANINGPLUG, please refer to the manufacturer's contact information provided on the packaging or your purchase receipt.

## **Reporting Unsafe Products**

If you encounter any unsafe products or accidents, please report them to the appropriate authorities. Check the EU's Safety Gate platform for updates on recalls and safety information.

By following this safety instruction guide, you can ensure a safe and effective cleaning experience with your QUICK CLEANINGPLUG. Thank you for your attention to safety.
