

BARREL CLEANER INTENSIVE - FOR CAL. 6.5MM - Barrel Cleaner intensive, 500 pcs. - for Cal. 6.5mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 6.5MM

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Cal. 6.5mm. This product is designed for effective barrel cleaning, combining the benefits of wool felt with the abrasiveness of bronze brushes and steel wool. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the product as intended and follow the instructions provided in this guide.
- Ensure the product is stored in a safe place, out of reach of children and vulnerable individuals.
- Regularly check for any product recalls or safety alerts through the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.
- Be aware that the product is not a toy and should only be used by individuals familiar with firearm maintenance.

Specific Safety Precautions for Use

- **Avoid Inhalation:** Do not inhale any dust or particles generated during cleaning.
- **Protective Gear:** Wear appropriate protective gear, such as gloves and safety glasses, while using the product.
- **Proper Ventilation:** Ensure that you are in a wellventilated area when using the barrel cleaner.
- **Keep Away from Heat:** Store the product away from heat sources and open flames to prevent any potential hazards.
- **Use with Care:** Handle the barrel cleaner gently to avoid injury or damage to the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition before cleaning.
- Gather all necessary materials, including the BARREL CLEANER INTENSIVE and any additional cleaning tools you may need.

2. Using the Barrel Cleaner:

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Apply a gentle push to allow the cleaner to move deeper into the grooves.
- Rotate the cleaner as needed to ensure thorough cleaning of the barrel's interior.

3. PostUse Cleaning:

- After cleaning, inspect the barrel for any remaining debris.
- Dispose of used barrel cleaners responsibly.

Disposal Instructions

- Dispose of used barrel cleaners in accordance with local regulations.
- Do not dispose of the product in household waste. Check for specific disposal guidelines for hazardous materials in your area.

Contact Information for Further Support

For any questions or concerns regarding the BARREL CLEANER INTENSIVE, please refer to the manufacturer's website or contact your local retailer for assistance. Ensure you have the product details ready for efficient support.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
