

BARREL CLEANER INTENSIVE - FOR CAL. 9MM - Barrel Cleaner intensive, 40 pcs. - for Cal. 9mm

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Cleaning Pellets](#)

The INTENSIVE barrel cleaner combines the advantages of the VFG COMFORT barrel cleaner made of wool felt with those of the bronze brush or steel wool and is therefore highly abrasive, elastic and absorbent. The INTENSIVE barrel cleaner guarantees even more efficient cleaning on the inside of the barrel or inside the cartridge chambers in revolver drums. This means that you clean without cleaning brushes, steel wool or similar highly abrasive cleaning tools. With the VFG barrel cleaner INTENSIVE you can be sure that, thanks to the optimally coordinated caliber size, material density and elasticity, that they really go deep into the Trains of the fields and will absorb all the dirt particles thanks to their porous surface structure - not as with brushes, who only move the dirt alongside itself in the barrel while running.

Safety Instruction Guide for BARREL CLEANER INTENSIVE FOR CAL. 9MM

Introduction

Thank you for choosing the BARREL CLEANER INTENSIVE for Cal. 9mm. This product is designed to provide effective cleaning for your firearm's barrel and cartridge chambers. To ensure safe and optimal use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always handle cleaning products with care and keep them out of reach of children.
- Use the barrel cleaner only for its intended purpose, which is cleaning 9mm firearm barrels.
- Ensure proper ventilation when using the barrel cleaner to avoid inhaling any dust or residues.
- Inspect the barrel cleaner for any damage before use. Do not use damaged products.
- Follow all local laws and regulations regarding the use and disposal of cleaning products.

Specific Safety Precautions for Use

- Wear protective eyewear to prevent any particles from entering your eyes during cleaning.
- Avoid contact with skin. If contact occurs, wash the affected area with soap and water.
- Do not ingest any part of the barrel cleaner or its residues.
- Do not use the barrel cleaner on hot surfaces or firearms that have recently been fired.
- Keep the product away from open flames, sparks, or any sources of ignition.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before beginning the cleaning process.
- Gather all necessary cleaning tools and materials, including the BARREL CLEANER INTENSIVE.

2. Using the Barrel Cleaner:

- Insert the barrel cleaner into the barrel or cartridge chamber.
- Apply gentle pressure while moving the cleaner back and forth to ensure thorough cleaning.
- Allow the porous surface of the cleaner to absorb dirt and debris effectively.
- After cleaning, remove the barrel cleaner and dispose of it according to the disposal instructions below.

3. PostCleaning:

- Inspect the barrel for cleanliness. If necessary, repeat the cleaning process with a new barrel cleaner.
- Store the barrel cleaner in a cool, dry place away from direct sunlight and moisture.

Disposal Instructions

- Dispose of used barrel cleaners in accordance with local waste disposal regulations.
- Do not dispose of the barrel cleaner in household waste if local laws require special disposal methods for cleaning products.
- Ensure that barrel cleaners are completely dry before disposal to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or additional support regarding the BARREL CLEANER INTENSIVE, please refer to the appropriate contact channels provided by the manufacturer.

By following these safety guidelines and instructions, you can ensure the safe and effective use of the BARREL CLEANER INTENSIVE for Cal. 9mm. Thank you for your attention to safety.
