# Safety Instruction Guide for Magnetic Felt Jaws for Vice

## Introduction

Thank you for choosing the Magnetic Felt Jaws for Vice by VFG. This product is designed to provide safe and gentle clamping for barrels and rifles in a vice. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always inspect the product for damage before use. Do not use if any part is broken or worn.
- Ensure that the Magnetic Felt Jaws are compatible with your vice before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the vice is securely mounted to a stable work surface before use.
- Do not exceed the recommended clamping force to avoid damage to both the product and the item being clamped.
- Avoid placing fingers or hands between the clamped items to prevent injury.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses when using the vice.
- Do not leave the vice unattended while in use.

## Instructions for Installation and Usage

### 1. Installation:

- Clean the jaws of the vice to ensure a secure grip.
- Align the Magnetic Felt Jaws with the existing jaws of the vice.
- Firmly attach the Magnetic Felt Jaws ensuring they are securely in place.

### 2. Usage:

- Place the item (barrel or rifle) gently between the Magnetic Felt Jaws.
- Gradually tighten the vice handle until the item is held securely but not excessively tight.
- Regularly check the stability of the clamp during use.

## Disposal Instructions

- Dispose of the Magnetic Felt Jaws in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities.
- Ensure that all parts are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any inquiries regarding safety and usage, please reach out to the designated EU contact point provided with your product.

Thank you for following these safety guidelines. Your safety is our priority.
