

ESS Chassis System Kit Savage models 10 - 116 - MDT ESS Chassis System Kit Savage SA models 10, 11, 12, 16 RH Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage models 10, 11, 12, and 16. This guide provides essential safety instructions to ensure the safe use of your chassis system. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms with care and ensure they are unloaded when not in use.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only compatible magazines as specified by the manufacturer.
- Ensure that the buttstock is securely adjusted before use to prevent accidents.
- Avoid using excessive force when inserting or removing the magazine.
- Do not apply pressure to the magazine while the rifle is in use.
- Always check that the magazine latch is functioning properly before use.
- Be cautious when using the barricade stop to avoid injury.

Instructions for Installation and Usage

1. Installation:

- Carefully unpack the MDT ESS Chassis System Kit.
- Ensure you have all components: 15" forend, adjustable buttstock, AR pistol grip.
- Follow the manufacturer's guidelines for attaching the chassis to the rifle action.
- Adjust the buttstock for length of pull and cheek rest height using the thumb wheels.
- Verify that the magazine well is properly aligned for easy magazine insertion.

2. Usage:

- Always ensure the rifle is pointed in a safe direction.
- Before shooting, check that the rifle is unloaded and the safety is engaged.
- Adjust the cheek rest and buttstock to fit your personal comfort and shooting style.
- When ready to shoot, load the magazine and ensure it is securely in place.
- Use the ambidextrous magazine latch for easy access regardless of hand preference.
- After use, always clean and store the chassis system properly.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations.
- Do not dispose of any components in household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support related to the MDT ESS Chassis System Kit, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy using your MDT ESS Chassis System Kit responsibly.
