

ESS Chassis System Kit Savage models 10 - 116 - MDT ESS Chassis System Kit Savage SA models 10, 11, 12, 16 LH White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Ultimate ergonomics and features also for left-handed actions! ESS Chassis System Kit includes a 15" forend, an adjustable buttstock and an AR pistol grip, only a magazine should be purchased separately.

- The buttstock is fully adjustable including lateral adjustment for the butt-pad and the cheek rest. Cheek rest height and butt-pad length-of-pull are adjustable by thumb wheels.
- V-block bedding system to form a solid and reliable base for the rifle action.
- The magazine well has been refined for easy insertion of the magazine.
- Ambidextrous, easy reach magazine latch – can be operated with trigger finger or left hand.
- Barricade stop in front of the magazine to prevent putting pressure on the magazine.
- Compatible with all non-beavertail AR pattern pistol grips. Beavertail grips will fit with minor trimming.

MDT ESS Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis System Kit for your Savage models 10, 11, 12, and 16 LH. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the MDT ESS Chassis System Kit is used in accordance with all local laws and regulations regarding firearms.
- Always treat your firearm and its components as if they are loaded, even if you believe they are not.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Follow all safety precautions provided with your firearm and ammunition.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not modify the chassis system or any of its components beyond manufacturer specifications.
- Avoid using the product in wet or excessively humid environments to prevent corrosion.
- Be cautious of the magazine well area; ensure no obstructions are present before inserting the magazine.
- Use only compatible magazines as specified by the manufacturer to avoid malfunctions.
- When adjusting the buttstock, ensure that adjustments are securely locked in place before use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the original stock from the firearm according to the manufacturer's instructions.
- Align the MDT ESS Chassis System Kit with the action of the firearm.
- Securely attach the chassis system using the provided screws and tools.
- Ensure that all screws are tightened to the manufacturer's specifications.

2. Adjustments:

- Adjust the buttstock length of pull using the thumb wheels located on the buttstock.
- Adjust the cheek rest height for optimal comfort and alignment with the sighting system.
- Ensure all adjustments are secure before using the firearm.

3. Usage:

- Load the compatible magazine and insert it into the magazine well.
- Use the ambidextrous magazine latch for easy release.
- Maintain a firm grip on the AR pistol grip while aiming and firing.
- Utilize the barricade stop feature when resting the firearm on surfaces.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding the disposal of firearm components.
- Consider recycling materials where possible, ensuring that all components are disposed of safely.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please consult the manufacturer's website or customer support channels for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis System Kit. Always prioritize safety and compliance with local laws. Thank you for your attention to these guidelines.
