

# ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 455 22LR, 17 HMR RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. Its original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Kit CZ 455, 457 Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your CZ 455, 457 rifle. This guide provides important safety instructions to ensure the safe use and maintenance of your product. Please read this guide thoroughly before using the chassis system.

## General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that your rifle is unloaded before attaching or detaching the chassis system.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Always use personal protective equipment (PPE), such as eye and ear protection, when shooting.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- The MDT ACC Chassis System is designed for use with compatible rifles only. Ensure compatibility with your CZ 455, 457 model.
- Do not exceed the maximum weight limit of 5.6 kg for the chassis alone. Adding accessories can increase the total weight significantly.
- Ensure that all weights are securely attached to the chassis to prevent them from falling off during use.
- When adjusting the weight management system, do so in a safe environment and ensure the rifle is pointed in a safe direction.
- Use only AICS style magazines that are compatible with your chassis system to prevent malfunctions.
- Be cautious when using the adjustable stock feature; ensure it is locked in place before use.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Ensure the rifle is unloaded and in a safe position.
- Remove the existing stock from the rifle according to the manufacturer's instructions.
- Align the MDT ACC Chassis with the action of the rifle.
- Secure the chassis to the action using the provided screws, ensuring they are tightened appropriately.

### 2. Weight Management System:

- To add weights, locate the designated areas on the buttstock, interior forend, or exterior forend.
- Select the desired weights and securely attach them to the chassis.
- Adjust the weights as needed to achieve the desired balance and feel.

### 3. Using the MDT Elite Grip:

- Ensure the grip is securely attached to the chassis.
- Adjust the grip angle as per your comfort, ensuring it is locked in place.

### 4. Magazine Loading:

- Insert the AICS style magazine into the magazine well of the chassis.
- Ensure the magazine is seated properly before attempting to load ammunition.

#### **5. Safety Check:**

- Before firing, conduct a thorough safety check to ensure all components are secure and functioning correctly.

## **Disposal Instructions**

- Dispose of the MDT ACC Chassis System and any associated parts in accordance with local regulations.
- Do not dispose of the chassis in regular household waste. Check for recycling programs or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ACC Chassis System, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Thank you for your attention to safety.
