

ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 455 22LR, 17 HMR RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

MDT ACC Chassis System Kit CZ 455, 457 Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis System Kit for your CZ 455, 457 rifle. This guide is designed to provide you with essential safety information, installation instructions, and proper usage guidelines to ensure a safe and enjoyable experience. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure that all users of this product are familiar with safe firearm handling practices.
- Always treat every firearm as if it is loaded.
- Store the chassis system and the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Do not exceed the recommended weight limits of the chassis system.
- Ensure that all accessories are securely attached before use to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the MDT ACC Chassis System only with compatible firearms (CZ 455, 457).
- Ensure that the rifle is unloaded before installation or adjustment of the chassis system.
- Avoid using the chassis system in adverse weather conditions that may affect performance or safety.
- Do not modify the chassis system or any of its components without consulting the manufacturer.
- Use only MDT approved weights and accessories to maintain safety and performance.
- Follow the manufacturer's guidelines for the maximum weight configuration.

Instructions for Installation and Usage

Installation

1. Remove the Existing Stock:

- Ensure the rifle is unloaded.
- Remove the existing stock from the rifle, following the manufacturer's instructions.

2. Prepare the MDT ACC Chassis:

- Inspect the chassis for any damage.
- Ensure all components are included as per the product listing.

3. Attach the Chassis to the Rifle:

- Align the rifle action with the chassis.
- Secure the action in place using the provided screws and tools.
- Ensure that the action is firmly attached and that there are no loose components.

4. Adjust Weight Management System:

- Add weights to the buttstock, interior forend, or exterior forend as desired.

- Ensure that all weights are securely fastened to prevent movement during use.

5. Install Accessories:

- Attach any desired accessories to the ARCA/RRS dovetail.
- Use the retention screw to secure accessories in place.

Usage

- Always ensure the rifle is pointed in a safe direction before loading or unloading.
- When using the MDT ACC Chassis System, maintain proper shooting posture and grip.
- Regularly check that all components remain secure during use.
- Adjust the chassis system as needed to suit your shooting style and preferences.

Disposal Instructions

- Dispose of the MDT ACC Chassis System and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any questions or further support regarding the MDT ACC Chassis System, please refer to the manufacturer's website or contact customer service directly. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT ACC Chassis System!
