

# ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 457 22LR, 17 HMR RH Blue

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE  
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

# MDT ACC Chassis System Safety Instruction Guide

## Introduction

Thank you for choosing the MDT ACC Chassis System Kit CZ 455, 457. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm use and ownership.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Do not modify the product in any way that may compromise its safety or functionality.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the MDT ACC Chassis System.
- Ensure that the rifle is unloaded before making any adjustments to the chassis.
- Be mindful of the weight distribution when adding or removing weights to avoid instability.
- When using the adjustable stock, ensure it is securely locked in place before using the rifle.
- Use only compatible AICS style magazines to avoid feeding issues or malfunctions.
- Always check the retention screw on the ARCA/RRS dovetail to ensure accessories are secure before use.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Workspace:** Ensure that your workspace is clean and free from distractions.
2. **Unpack the Kit:** Carefully remove all components from the packaging and inspect for any damage.
3. **Install the Buttstock:**
  - Align the MDT's proprietary XTN buttstock interface with the chassis.
  - Securely fasten the buttstock according to the provided instructions.
4. **Add Weights:**
  - Determine your desired weight and balance.
  - Add interior forend weights, exterior MLoc weights, or buttstock weights as needed.
  - Ensure all weights are securely fastened.
5. **Check Compatibility:** Insert the AICS style magazine to confirm proper fit and function.

### Usage

- Before each use, perform a safety check of the rifle and chassis system.
- Adjust the weight and balance as needed for optimal performance.
- Use the MDT Elite Grip for better control and handling of the rifle.
- After use, clean the chassis and inspect for any wear or damage.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the product is no longer in use, consider recycling parts where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT ACC Chassis System, please refer to the provided contact details from your retailer or manufacturer.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the MDT ACC Chassis System Kit CZ 455, 457. Stay safe!
