

ACC Chassis System Kit CZ 455, 457 - MDT ACC Chassis System CZ 457 22LR, 17 HMR RH ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.

MDT ACC Chassis System Kit CZ 455, 457 Safety Instruction Guide

Introduction

Thank you for choosing the MDT ACC Chassis System Kit CZ 455, 457. This guide provides important safety information and instructions to ensure the safe use and maintenance of your chassis system. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used in accordance with all applicable laws and regulations.
- Always handle firearms with care and respect, treating every firearm as if it is loaded.
- Store the chassis and any associated components in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the chassis and accessories for any signs of wear or damage. Do not use if any parts are damaged.
- Follow all manufacturer instructions for installation and maintenance.
- Always use the appropriate ammunition for your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Weight Management:** Adjust the weights as needed for optimal balance. Ensure weights are securely fastened before use.
- **Installation of Accessories:** When attaching accessories to the ARCA/RRS dovetail, ensure they are securely tightened to prevent accidental detachment.
- **Shooting Position:** Use the chassis system in a stable shooting position to maintain control and accuracy.
- **Environmental Conditions:** Avoid using the chassis in extreme weather conditions that could affect performance or safety.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that all users are of appropriate age and have received proper training.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Remove the existing stock from your CZ 457 rifle.
- Align the action of the rifle with the MDT ACC chassis.
- Secure the action in place using the provided screws and tools.
- Ensure all screws are tightened to the manufacturer's specifications.

2. Adjusting Weights:

- To adjust the weight, locate the weight compartments in the buttstock and forend.
- Add or remove weights as desired to achieve the preferred balance.
- Ensure all weights are securely fastened before use.

3. Attaching Accessories:

- Use the ARCA/RRS dovetail to attach accessories.
- Tighten the retention screw to ensure accessories do not fall off during use.

4. Using the MDT Elite Grip:

- Adjust the grip to your comfort level.
- Ensure the grip is securely attached to the chassis.

5. Magazine Compatibility:

- Use only AICS style magazines for compatibility.
- Ensure magazines are properly seated in the chassis before use.

Disposal Instructions

- Dispose of the chassis and any accessories in accordance with local regulations.
- Do not dispose of any components in regular household waste.
- Contact local authorities for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact point. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit CZ 455, 457. Always prioritize safety and responsible firearm use.
