

ACC Chassis System Kit Savage - MDT ACC Chassis System Savage LA CIP 338 Lapua Magnum RH Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The ACC (Adjustable Core Competition) Chassis was created with an integrated weight management system, allowing shooters to fine tune the weight and balance point of the rifle. The adjustability comes from a series of weights that can be added to either the buttstock, interior forend or exterior forend. It's original weight of 2,7 kg transforms into a maximum of 5,6 kg (chassis only - add on your action, barrel, scope and accessories and most shooters are pushing 12-14 kg in the ACC).

NO IMAGE
AVAILABLE

- 17" of available ARCA/RRS dovetail, with retention screw so that accessories don't fall off mid-stage.
- Comes with the MDT Elite Grip.
- Uses MDT's proprietary XTN buttstock interface (adjustable stock included).
- Compatible with AICS style magazines (sold separately).
- Interior forend weights, exterior M-Lok weights and buttstock weights available.
- Savage 338 Lapua requires MDT 3.85" magazines.

MDT ACC Chassis System Kit Safety Instructions

Introduction

Thank you for choosing the MDT ACC Chassis System Kit Savage. This product is designed to enhance your shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the chassis system before use for any signs of damage or wear.
- Keep the chassis system and all accessories out of reach of children and vulnerable individuals.
- Store the chassis system in a safe, dry place when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the rifle with the chassis system.
- Be aware of your surroundings and ensure that you are in a safe environment for shooting.
- Never point the rifle at anything you do not intend to shoot.
- Ensure that the rifle is unloaded when attaching or detaching the chassis system.
- Use only compatible accessories as specified by the manufacturer.
- Do not exceed the maximum weight limit of 5.6 kg for the chassis alone, and be mindful of the total weight when adding your action, barrel, scope, and accessories.

Instructions for Installation and Usage

1. Installation of the Chassis:

- Ensure the rifle is unloaded and safe.
- Carefully remove the existing stock from the rifle.
- Align the MDT ACC Chassis with the action of the rifle and securely attach it using the provided screws.
- Ensure all screws are tightened to the manufacturer's specifications.

2. Weight Adjustment:

- To adjust the weight, identify the weight management points on the chassis.
- Add or remove weights from the buttstock, interior forend, or exterior forend according to your preference.
- Ensure that all weights are securely fastened to prevent them from falling off during use.

3. Using the MDT Elite Grip:

- Adjust the grip to your preferred position for comfort and control.
- Ensure that the grip is securely attached before use.

4. Magazine Compatibility:

- Use only AICS style magazines as specified.
- Ensure that the Savage 338 Lapua requires MDT 3.85" magazines for proper functionality.

5. **General Maintenance:**

- Regularly clean the chassis system to prevent dirt and debris buildup.
- Inspect all components for wear and replace any damaged parts immediately.

Disposal Instructions

- Dispose of the chassis system and any associated materials in accordance with local regulations.
- Do not dispose of the chassis system in general household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT ACC Chassis System Kit, please refer to the manufacturer's contact information provided in the product packaging or user manual.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ACC Chassis System Kit. Always prioritize safety and compliance with regulations for the best shooting experience.
