# MDT Rifle Stock for ACC/ESS Chassis, XTN Interface Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Rifle Stock for your ACC/ESS Chassis with XTN interface. This safety instruction guide aims to provide you with essential information for the safe use, installation, and disposal of your product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe use of the MDT Rifle Stock by following all instructions provided in this guide.
- Be aware of potential risks associated with improper use, including injury to yourself or others.
- Regularly check for product recalls and updates on the EU's Safety Gate platform.
- If you notice any signs of damage or wear, discontinue use immediately and report the issue.
- Always supervise children and vulnerable individuals when near the product.

## Specific Safety Precautions for Use

- Always ensure that the rifle stock is securely attached to the rifle before use.
- Adjust the cheek riser and buttpad only when the rifle is not in use to avoid accidental discharge.
- Do not exceed the recommended weight limits for the rifle stock.
- Avoid using the rifle stock in extreme weather conditions that may affect its performance.
- Regularly inspect the rifle stock for any signs of wear or damage.
- Use the product only for its intended purpose as specified in the user manual.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Equipment:** Ensure you have the necessary tools to install the MDT Rifle Stock.
2. **Attach the Stock:**
  - Align the MDT Rifle Stock with the ACC/ESS Chassis.
  - Securely fasten the stock using the provided screws and tools.
3. **Adjust the Cheek Riser and Buttpad:**
  - Use the toolless adjustment feature to modify the height and angle of the cheek riser.
  - Adjust the buttpad for optimal comfort and shooting position.
4. **Check Stability:** Ensure that all components are tightly secured and that the stock is stable before use.

### Usage

- Always handle your rifle with care and follow all safety protocols for firearm handling.
- Before shooting, ensure that the area is clear of obstructions and that you have a safe backstop.
- Maintain a firm grip on the rifle while aiming and shooting to ensure accuracy and control.
- After use, clean the rifle stock and inspect for any damage or wear.

## Disposal Instructions

- Dispose of the MDT Rifle Stock in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the MDT Rifle Stock, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure the safe and effective use of your MDT Rifle Stock for ACC/ESS Chassis, XTN interface. Thank you for prioritizing safety in your shooting activities.
