# MDT Rifle Stock for ACC/ESS Chassis, XTN Interface Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Rifle Stock for ACC/ESS Chassis, XTN Interface. This product is designed to enhance your shooting experience through its toolless adjustment features. This safety instruction guide provides essential information to ensure the safe use and maintenance of your rifle stock in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the rifle stock is compatible with your specific chassis model (ACC or ESS) before use.
- Always handle firearms and accessories with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the rifle stock for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the rifle stock in any way. Alterations can compromise safety and performance.
- **Check Adjustments:** Before each use, ensure that all adjustments to the cheek riser and buttpad are secure and properly set for your shooting position.
- **Proper Handling:** Always treat the rifle as if it is loaded. Never point it at anything you do not intend to shoot.
- **Use Protective Gear:** Wear appropriate protective gear, such as ear and eye protection, while shooting.
- **Safe Storage:** Store the rifle stock and firearm in a secure location when not in use. Use a locked cabinet or safe to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the rifle chassis according to the manufacturer's instructions.
- Align the MDT Rifle Stock with the chassis, ensuring the XTN interface is properly engaged.
- Securely fasten the stock to the chassis as per the installation guidelines provided with the stock.

### 2. Adjustment:

- To adjust the cheek riser:
  - Loosen the adjustment screws using the appropriate tool.
  - Slide the cheek riser to the desired height.
  - Tighten the screws securely to hold the riser in place.
- To adjust the buttpad:
  - Loosen the adjustment screws on the buttpad.
  - Move the buttpad to the desired position.
  - Tighten the screws securely to lock the buttpad in place.

### 3. Usage:

- Before shooting, ensure that all adjustments are set to your comfort level.
- Practice safe shooting techniques and adhere to all safety protocols while using the rifle.

## **Disposal Instructions**

- Dispose of the MDT Rifle Stock responsibly in accordance with local waste disposal regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Rifle Stock for ACC/ESS Chassis, XTN Interface, please refer to the manufacturer's website or contact their customer support team. Ensure you have your product details ready for a prompt response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your MDT Rifle Stock. Thank you for your attention to safety.
