## Picatinny Scope Base - 20 MOA - Savage MKII - BLK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 20 MOA incline providing additional elevation adjustment from your scope. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature. Most bases work with left-handed actions, too.

# MDT Picatinny Scope Base Safety Instructions

## Introduction

Thank you for choosing the MDT Picatinny Scope Base 20 MOA Black. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your optics. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and accessories with care and follow all safety protocols.
- Inspect the scope base for any damage before installation. Do not use if damaged.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the scope base is compatible with your firearm model (Savage MKII).
- Do not exceed the recommended weight limit for mounted optics.
- Always check that the scope base is securely attached before each use.
- Avoid placing excessive force on the mounted optics to prevent damage.
- Use the product only in conditions that are suitable for firearms and optics.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have the necessary tools for installation, including appropriate screws and a torque wrench.
2. **Remove Existing Base:** If applicable, carefully remove any existing scope base from your firearm.
3. **Position the Rail:** Align the MDT Picatinny Scope Base with the mounting holes on your firearm's receiver.
4. **Secure the Base:** Use the provided screws to attach the base. Ensure that the screws are tightened to the manufacturer's specifications using a torque wrench.
5. **Check Alignment:** Verify that the base is level and securely mounted before proceeding to mount your optic.

### Usage

1. **Mounting Optics:** Follow the manufacturer's instructions for your specific optic when mounting it to the scope base.
2. **Check Stability:** After mounting, check the stability of the optic. Ensure that it is firmly attached and does not wobble.
3. **Regular Maintenance:** Periodically inspect the scope base and mounted optics for any signs of wear or loosening.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Check for designated recycling centers or metal waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Picatinny Scope Base, please refer to the manufacturer's website or contact their support team. Ensure that you have your product details available for efficient assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the MDT Picatinny Scope Base!
