

# ESS Chassis Base Remington 700 - ESS Chassis Base-Remington 700 LA-Right Handed-ESS Cerakote O.D. Green

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Remington 700. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any defect or malfunction, discontinue use immediately and seek assistance.
- Report any unsafe products or incidents to your local authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling or installing the chassis.
- Ensure that the rifle is unloaded before installation or adjustments.
- Be cautious of sharp edges during installation.
- Avoid using the chassis in extreme conditions that may affect its performance.
- Do not modify the chassis or use nonapproved accessories, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all components: Chassis Base, Forend, Stock, and any additional accessories.
- Gather necessary tools, including screwdrivers and wrenches.

### 2. Installation

- **Chassis Base**
  - Begin by securing the Chassis Base to the Remington 700 action.
  - Use the provided screws and ensure they are tightened to the manufacturer's specifications.
- **Forend Attachment**
  - Select the desired Forend length (12", 15", or 18").
  - Attach the Forend to the Chassis Base using the provided mounting hardware.
  - Ensure that the Forend is securely fastened and does not wobble.
- **Stock Installation**
  - Choose your preferred stock option (Skeleton Rifle, Folding Rifle, or Skeleton Carbine).
  - Follow the specific instructions for your selected stock to attach it to the Chassis Base.
  - Verify that the stock is securely attached and operates correctly.

### 3. Usage

- Familiarize yourself with the operation of the chassis and any attachments before use.
- Always check that the rifle is in safe working order before each use.
- Use the MLOK slots for mounting accessories as needed, ensuring they are securely attached.

## **Disposal Instructions**

- When the product reaches the end of its life cycle, dispose of it responsibly.
- Follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of the product in household waste; instead, seek out recycling options.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT ESS Chassis Base, please refer to the manufacturer's website or customer service for assistance. Ensure that you have your product details at hand when contacting support.

Thank you for your attention to these safety instructions. Enjoy your MDT ESS Chassis Base responsibly.
