

# ESS Chassis Base Browning X-Bolt - ESS Chassis Base-Browning X-Bolt SA-Right Handed-Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# Safety Instruction Guide for MDT ESS Chassis Base Browning X Bolt

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Browning X Bolt. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible and correctly installed before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect your chassis and related components for wear or damage.
- Store your chassis and firearm in a secure location when not in use.
- Follow all safety warnings and instructions provided by the firearm manufacturer.

## Specific Safety Precautions for Use

- Before using the MDT ESS Chassis Base, ensure that your firearm is unloaded.
- Do not use the chassis with a firearm that has been modified in a way that could affect its safety.
- Avoid using the product in extreme weather conditions that could compromise its integrity.
- Do not exceed the manufacturer's recommended specifications for weight or accessories mounted on the chassis.
- Use caution when adjusting or modifying the chassis to prevent injury.

## Instructions for Installation and Usage

### 1. Installation of the Chassis Base

- Ensure that you have all necessary tools and components before beginning installation.
- Follow the firearm manufacturer's guidelines for removing the stock and installing the chassis base.
- Align the chassis base with the action of the firearm, ensuring a secure fit.
- Tighten all screws and fasteners according to the specified torque settings.
- Verify that the chassis is firmly attached and does not wobble.

### 2. Installing Forend and Stock

- Select the desired forend length (12", 15", or 18") and configuration (full rail, partial rail, or no rail).
- Attach the forend to the chassis base, ensuring that the MLOK slots are accessible for accessory mounting.
- If using the Skeleton Rifle Stock or Folding Rifle Stock, follow the specific installation instructions provided with each stock.
- Ensure that all components are securely attached and function properly before using the firearm.

### 3. Usage Guidelines

- Familiarize yourself with the operation of the chassis and any installed accessories.
- Always maintain proper shooting posture and follow safe shooting practices.
- Regularly clean and maintain the chassis to ensure optimal performance.
- If you experience any issues with the chassis, cease use immediately and consult a qualified

gunsmith.

## **Disposal Instructions**

- Dispose of the chassis and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product use, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and responsible usage with your MDT ESS Chassis Base Browning XBolt. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
