

ESS Chassis Base Browning X-Bolt - ESS Chassis Base-Browning X-Bolt SA-Right Handed-ESS Cerakote Crimson Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Browning X Bolt. This guide provides essential safety instructions and information to ensure safe usage and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the chassis and components for any signs of wear or damage.
- Store the chassis in a dry and secure location to prevent unauthorized access, especially from children.
- Familiarize yourself with local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Always handle firearms safely and responsibly.
- Ensure that the firearm is unloaded before installing or adjusting the chassis.
- Use appropriate eye and ear protection when operating firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis or its components without consulting a qualified gunsmith.
- Keep the chassis and its components out of reach of children and unauthorized users.

Instructions for Installation and Usage

Installation

1. Preparation

- Gather all necessary tools and components, including the chassis base, forend, and stock.
- Ensure you are in a clean and well-lit workspace.

2. Attaching the Chassis Base

- Remove the existing stock from the Browning X Bolt by following the manufacturer's instructions.
- Align the chassis base with the action of the firearm.
- Secure the chassis base using the provided screws, ensuring they are tightened to the manufacturer's specifications.

3. Installing the Forend

- Select the desired forend length (12", 15", or 18").
- Attach the forend to the chassis base by aligning it with the mounting points.
- Secure the forend using the provided screws, ensuring they are tightened properly.

4. Attaching the Stock

- Choose your preferred stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock).
- Attach the stock to the chassis base following the manufacturer's instructions.
- Ensure all connections are secure.

5. Final Check

- Inspect the installation to ensure all components are securely attached.
- Conduct a function check to verify that the firearm operates correctly with the new chassis.

Usage

- Always ensure the firearm is unloaded before making any adjustments to the chassis.
- Regularly check the tightness of screws and connections, especially after extensive use.
- Follow all standard firearm safety practices, including keeping the muzzle pointed in a safe direction.

Disposal Instructions

- When disposing of the chassis or its components, follow local regulations for hazardous waste disposal.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any safety inquiries or support regarding the MDT ESS Chassis Base, please consult the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and responsible usage. Enjoy your shooting experience with the MDT ESS Chassis Base for Browning XBolt.
