

# ESS Chassis Base Ruger American - ESS Chassis Base-Ruger American SA-Right Handed-Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Ruger American rifle. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before use.

## General Safety Guidelines

- Always treat your chassis and firearm with respect and care.
- Ensure that your chassis is compatible with your firearm model before installation.
- Keep the chassis and accessories out of reach of children.
- Regularly inspect your chassis for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the chassis.
- Do not attempt to modify the chassis or its components beyond the manufacturer's specifications.
- Use only compatible accessories (forends, stocks) designed for the MDT ESS Chassis.
- Always wear appropriate safety gear, including eye protection, when using your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation of Chassis Base

- Ensure the firearm is unloaded.
- Remove the existing stock from your Ruger American rifle.
- Align the MDT ESS Chassis Base with the action of your rifle.
- Secure the chassis using the provided screws and tools.
- Tighten all screws to the recommended torque specifications.

### 2. Adding Forend and Stock

- Choose the desired forend length (12", 15", or 18").
- Select the type of rail (full, partial, or no rail) based on your scope mounting needs.
- Attach the forend to the chassis base using the MLOK slots and QD flush cup mounts.
- Choose the stock option (Skeleton Rifle Stock, Folding Rifle Stock, or Skeleton Carbine Stock).
- If using the Skeleton Carbine Stock, ensure the ESS to Carbine Adapter is securely installed.

### 3. Scope Mounting

- If using actionspecific scope mounting rails, ensure they are compatible with your forend rail.
- Follow the manufacturer's instructions for mounting your scope securely.

### 4. PostInstallation Checks

- Verify all components are securely attached.
- Conduct a function check to ensure the firearm operates correctly with the new chassis.
- Store the firearm in a safe location when not in use.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local recycling regulations.
- If the chassis or any components are damaged beyond repair, dispose of them responsibly to minimize environmental impact.

## **Contact Information for Further Support**

- For safety inquiries or product support, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MDT ESS Chassis Base!
