

ESS Chassis Base Winchester - ESS Chassis Base-Winchester XPR SA-Right Handed-Cerakote Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Winchester XPR SA rifle. This guide provides important safety instructions and guidelines to ensure the safe use and maintenance of your product. Please read this document carefully before using the chassis base.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow basic safety rules.
- Keep the chassis base and all accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Familiarize yourself with the specific features and components of your chassis base.
- Use only compatible forends and stocks as specified in the product description.

Specific Safety Precautions for Use

- Always confirm that your firearm is unloaded before attaching or detaching the chassis base.
- Do not modify the chassis base or any of its components, as this may compromise safety.
- Ensure that all screws and attachments are securely fastened before use.
- Avoid placing any objects in front of the muzzle when using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any issues with the chassis base, cease use immediately and consult a professional.

Instructions for Installation and Usage

Installation

1. Prepare Your Work Area:

- Ensure you have a clean, dry, and welllit workspace.
- Gather all necessary tools for installation.

2. Attach the Chassis Base:

- Align the chassis base with the action of your Winchester XPR rifle.
- Securely fasten the chassis base using the provided screws, ensuring a snug fit.
- Doublecheck that the chassis is properly aligned and secured.

3. Install the Forend:

- Select a compatible forend based on your preference (12", 15", or 18").
- Attach the forend to the chassis base, ensuring that it locks into place.
- Verify that the MLOK slots and QD flush cup mounts are accessible.

4. Install the Stock:

- Choose your desired stock option (Skeleton Rifle, Folding Rifle, or Skeleton Carbine).
- Follow the specific instructions for your selected stock to attach it to the chassis base.
- Ensure all connections are secure and stable.

Usage

- Always follow standard firearm safety protocols when handling your rifle.
- Regularly check the stability of the chassis base, forend, and stock during use.
- Use appropriate ammunition and ensure compatibility with your firearm.
- Maintain awareness of your shooting environment and target.

Disposal Instructions

- Dispose of the chassis base and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum components where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the MDT ESS Chassis Base, please refer to the official MDT website or your local authorized dealer for assistance and support.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Always prioritize safety and responsible firearm handling practices. Thank you for your commitment to safety.
