

ESS Chassis Base Winchester - ESS Chassis Base-Winchester XPR SA-Right Handed-Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instructions

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Winchester XPR rifle. This guide contains important safety information to ensure the safe use and handling of your product. Please read and follow these instructions carefully to avoid accidents and injuries.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearms and accessories.
- Store the chassis and any associated components in a secure location, out of reach of children and unauthorized users.
- Inspect the chassis and components regularly for wear and damage.
- Use only compatible accessories with the MDT ESS Chassis Base to ensure safety and functionality.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the MDT ESS Chassis Base, ensure that you are familiar with the operation of your Winchester XPR rifle.
- Always handle firearms with care, treating every firearm as if it is loaded.
- Wear appropriate eye and ear protection when using firearms.
- Keep your finger off the trigger until you are ready to shoot.
- Do not modify the chassis or any components without consulting the manufacturer.
- Ensure that the rifle is pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation of the Chassis Base:

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your Winchester XPR rifle according to the manufacturer's instructions.
- Align the MDT ESS Chassis Base with the action of the rifle.
- Secure the chassis base using the provided screws and tools, ensuring a tight fit.
- Doublecheck that all screws are tightened and the chassis is securely attached.

2. Forend and Stock Installation:

- Choose the desired Forend length (12", 15", or 18") and type (full rail, partial rail, or no rail).
- Attach the Forend to the chassis base by aligning it with the mounting points.
- Secure the Forend using the provided hardware, ensuring it is tightly fastened.
- Select your preferred stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock).
- Attach the stock to the chassis base following the same procedure as for the Forend.

3. Scope Mounting:

- If using a scope, ensure that the actionspecific scope mounting rail is properly aligned with the forend rail.
- Secure the scope according to the manufacturer's instructions, ensuring it is firmly attached.

4. Final Checks:

- Before using the rifle, conduct a thorough inspection to ensure all components are securely attached.
- Test the functionality of the chassis and components without live ammunition.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the chassis or any components reach the end of their life or are damaged beyond repair, dispose of them responsibly.
- Do not dispose of firearms or firearm accessories in household waste. Contact local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MDT ESS Chassis Base, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety. Enjoy your MDT ESS Chassis Base and the enhanced performance it brings to your Winchester XPR rifle.
