

ESS Chassis Base Winchester - ESS Chassis Base-Winchester XPR SA-Right Handed-ESS Cerakote Tactical Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Winchester XPR SA Right Handed rifle. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used in a safe environment, free from distractions.
- Always handle firearms and related accessories with care and respect.
- Keep the product out of reach of children and unauthorized individuals.
- Regularly inspect the product for any signs of damage or wear.
- Follow all local laws and regulations regarding firearms and their accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the chassis base.
- Use only compatible parts and accessories specifically designed for the MDT ESS Chassis.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the chassis.
- Avoid using the product in adverse weather conditions which may affect performance.
- Wear appropriate safety gear, including eye and ear protection, when using the firearm.

Instructions for Installation and Usage

1. Installation of Chassis Base

- Ensure the firearm is unloaded.
- Remove the existing stock from the firearm, following the manufacturer's instructions.
- Align the MDT ESS Chassis Base with the action of the firearm.
- Securely fasten the chassis base using the provided screws and tools.
- Confirm that the chassis is firmly attached and does not move.

2. Attaching the Forend

- Choose the desired forend length (12", 15", or 18").
- Align the forend with the chassis base rail.
- Secure the forend using the provided mounting hardware.
- Ensure that the forend is tightly secured and does not wobble.

3. Mounting Accessories

- Use MLOK slots to attach accessories such as lights or grips.
- Ensure that all accessories are mounted securely and do not obstruct the operation of the firearm.
- If using a scope, follow the specific mounting instructions provided with the scope.

4. Using the Stock

- Select the appropriate stock type (Skeleton Rifle, Folding Rifle, or Skeleton Carbine).
- Attach the stock to the chassis base, ensuring a secure fit.
- Adjust the stock to your preferred length of pull.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not discard in regular trash; instead, use designated recycling facilities for firearms and accessories.

Contact Information for Further Support

For any questions or concerns regarding the MDT ESS Chassis Base, please refer to the manufacturer's website or customer support channels for assistance. It is essential to have an EUbased contact for any safety inquiries related to the product.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Thank you for your attention to safety.
