

# ESS Chassis Base Winchester - ESS Chassis Base-Winchester XPR SA-Right Handed-ESS Cerakote Crimson Red

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis Base Winchester XPR SARight HandedESS Cerakote Crimson Red. This document provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the relevant authorities immediately.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as safety glasses and gloves, when handling the chassis and associated components.
- Ensure that the chassis is securely mounted to the firearm before use.
- Be aware of your surroundings and ensure that you are in a safe environment when using the chassis.
- Do not exceed the manufacturer's recommended weight limits for any attachments or components.
- Avoid using the chassis in adverse weather conditions that may compromise safety.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools:** Ensure you have all necessary tools for installation, including a torque wrench and appropriate screws.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and safe to handle.
3. **Attach the Chassis Base:**
  - Align the chassis base with the action of the firearm.
  - Securely fasten the chassis base using the provided screws, following the manufacturer's torque specifications.
4. **Install the Forend and Stock:**
  - Select your preferred forend length (12", 15", or 18") and attach it to the chassis base.
  - Choose the stock option (Skeleton Rifle, Folding Rifle, or Skeleton Carbine) and attach it securely.
5. **Check Stability:** Ensure that all components are tightly secured and that there is no movement.

### Usage

- Always handle the firearm in accordance with standard safety practices.
- Regularly check the tightness of all screws and connections before use.
- If you experience any issues with the chassis or its components, cease use immediately and consult with a qualified gunsmith or the manufacturer.

## Disposal Instructions

- When disposing of the MDT ESS Chassis Base, follow local regulations for the disposal of aluminum and other materials.
- Do not dispose of the chassis in regular household waste.

- Consider recycling the materials where possible.

## **Contact Information for Further Support**

For additional support or safety inquiries, please refer to the manufacturer's website or contact your local distributor. It is important to have an EUbased contact for any productrelated safety inquiries.

Thank you for your attention to these safety guidelines. Enjoy using your MDT ESS Chassis Base responsibly and safely.
