

ESS Chassis Base Winchester - ESS Chassis Base-Winchester XPR SA-Right Handed-ESS Cerakote Storm Trooper White

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for purchasing the MDT ESS Chassis Base. This guide provides essential safety information to ensure the safe use and maintenance of your product. Please read it thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the chassis with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the chassis regularly for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm accessories.
- Be aware of your surroundings when using the chassis in outdoor environments.
- Report any safety concerns or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Do not modify the chassis in any way that could compromise its integrity or safety.
- Use only compatible components (forends, stocks) as specified by the manufacturer.
- Be cautious when mounting scopes or other accessories to avoid misalignment or instability.
- Follow the manufacturer's guidelines for weight limits when adding accessories to the chassis.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure you have all necessary tools and components before starting the installation.
2. **Unload Firearm:** Always confirm that the firearm is unloaded.
3. **Attach Chassis Base:**
 - Align the chassis base with the firearm's action.
 - Secure the chassis using the provided screws and tools.
 - Ensure all screws are tightened to the manufacturer's specifications.
4. **Install Forend:**
 - Select the desired forend length (12", 15", or 18").
 - Attach the forend to the chassis base, ensuring proper alignment.
 - Secure with the provided mounting hardware.
5. **Attach Stock:**
 - Choose the appropriate stock (Skeleton Rifle, Folding Rifle, or Skeleton Carbine).
 - Follow the same attachment process as the forend.
6. **Final Check:** Ensure all components are securely attached and properly aligned.

Usage

- Always ensure that the firearm is pointed in a safe direction.
- Familiarize yourself with the operation of the chassis and its components.
- Regularly check the stability of the chassis and its components during use.
- Use the MLOK slots and QD flush cup mounts as intended for accessories.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- For the chassis and its components, follow local guidelines for disposal of metal products.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or concerns regarding safety, installation, or product use, please contact the manufacturer directly. They will provide you with the necessary support and information.

Please ensure that you keep this guide for future reference and share it with anyone who may use the MDT ESS Chassis Base. Your safety is our priority.
