

ESS Chassis Base Lithgow - ESS Chassis Base-Lithgow 102 SA-Right Handed-Cerakote Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base Lithgow 102 SARight HandedCerakote Black. This product is designed for enhanced performance and customization of your shooting experience. To ensure your safety and the safe use of this product, please read this guide carefully. It includes essential safety information, installation instructions, and guidelines for proper use.

General Safety Guidelines

- Always treat the chassis as if it is loaded.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Keep the chassis and any associated components out of reach of children and unauthorized users.
- Inspect the chassis for any damage or wear before each use.
- Use only compatible accessories and components that are specifically designed for this chassis.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Ensure that the chassis is securely attached to the firearm before use.
- Do not exceed the recommended weight limits for accessories mounted on the chassis.
- Avoid using the chassis in extreme weather conditions that may affect performance.
- Regularly clean and maintain the chassis to ensure it functions correctly and safely.
- Be aware of your surroundings and ensure a safe shooting environment at all times.

Instructions for Installation and Usage

Installation

1. **Prepare Your Workspace:** Ensure you have a clean, welllit area to work in.
2. **Gather Tools:** You will need basic tools such as a screwdriver and Allen wrench, depending on the components used.
3. **Attach the Chassis Base:**
 - Align the chassis base with the firearm's action.
 - Secure the chassis in place using the provided screws and tools.
 - Ensure all screws are tightened to the manufacturer's specifications.
4. **Install Forend and Stock:**
 - Select your desired forend length (12", 15", or 18") and attach it to the chassis.
 - Choose the appropriate stock (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock) and install it.
 - Ensure that all components are securely fastened and properly aligned.

Usage

- After installation, perform a function check to ensure everything operates correctly.
- Familiarize yourself with the controls and features of the chassis before use.
- Always follow safe firearm handling practices when using the chassis.

Disposal Instructions

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Check with local authorities or recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the MDT ESS Chassis Base, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details ready when reaching out for assistance.

By following these safety instructions, you can enjoy the full benefits of your MDT ESS Chassis Base while ensuring a safe and responsible shooting experience.
