The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

Introduction

Thank you for choosing the MDT ESS Chassis Base Lithgow 102 SA Right Handed ESS Cerakote Tactical Gray. This guide provides important safety information, usage instructions, and disposal guidelines to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis base.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Always inspect the chassis base for any signs of damage or wear before use. Do not use if any parts are damaged.
- Keep the chassis base out of reach of children and vulnerable individuals who may not understand the risks associated with its use.
- When using the chassis base, wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Follow all local laws and regulations regarding firearm accessories and modifications.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure the firearm is unloaded before installing or modifying any components.
 - Use the appropriate tools as specified in the installation instructions to avoid damaging the chassis base.
- **Operational Precautions:**
 - Always point the firearm in a safe direction and keep your finger off the trigger until ready to shoot.
 - Be aware of your surroundings and ensure that the area is clear of bystanders when using the firearm.
- **Maintenance Precautions:**
 - Regularly clean and maintain the chassis base according to the manufacturer's recommendations to ensure optimal performance and safety.
 - Check the integrity of all mounting points and fasteners before each use.

Instructions for Installation and Usage

1. Installation Steps:

- Start by ensuring that your firearm is completely unloaded.
- Remove any existing stock or forend from your firearm.
- Align the MDT ESS Chassis Base with the action of your firearm.
- Secure the chassis base using the provided screws and tools. Ensure that all screws are tightened to the manufacturer's specifications.
- Attach your chosen forend and stock according to the specific instructions provided with those components.
- Confirm that all parts are securely fastened before proceeding to use the firearm.

2. Usage Instructions:

- Once installed, familiarize yourself with the chassis base and how it interacts with your firearm.
- Conduct a function check to ensure that all components are working as intended.
- Use the chassis base in accordance with the operational guidelines set forth in your firearm's manual.

Disposal Instructions

- When disposing of the MDT ESS Chassis Base, follow local regulations regarding the disposal of firearm accessories.
- If the chassis base is damaged beyond repair, consider recycling materials where possible.
- Ensure that any components that could be hazardous are disposed of in a safe and environmentally friendly manner.
