

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 223 Remington - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 7/8"
- Neck Size Bushing (diameter): 6.2mm
- Expander (diameter): 5.65mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRest Neck Dies

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Only use the TRIEBEL BenchRest Neck Die with compatible cartridge cases.
- Ensure the die is securely mounted in the reloading press before use.
- Avoid overtightening the die, as this may cause damage or misalignment.
- Do not attempt to modify the die or its components.
- Use only the recommended bushing sizes for your specific caliber to ensure safe operation.
- Be cautious of any sharp edges on the die and its components.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is turned off and unplugged before installation.
- Remove any existing dies from the press.
- Select the appropriate TRIEBEL BenchRest Neck Die and the corresponding bushing.
- Screw the die into the reloading press with a 7/8" thread, ensuring it is snug but not overly tight.
- Insert the interchangeable precision ground bushing into the die, ensuring it is properly seated.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Place the cartridge case into the die, ensuring it is seated correctly.
- Operate the reloading press smoothly to resize the case.
- If using the optional expander, follow the specific instructions provided with the expander.
- After resizing, remove the cartridge case from the die and inspect it for proper sizing.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not throw the die or its components in regular trash; check for recycling options in your area.
- Ensure all safety precautions are taken when disposing of any hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the manual provided with your product or contact your local retailer for assistance.

Note: This guide complies with the EU General Product Safety Regulation (GPSR) to ensure the safety and wellbeing of consumers. Always report any unsafe products or incidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.
