

FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 300 AAC Blackout - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

Specs:

- Thread: 7/8"
- Expander (diameter): 7.8mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Full Length Dies for Rifle Calibers Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Full Length Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your die. Please read this document thoroughly before using the product.

General Safety Guidelines

To ensure a safe experience while using the TRIEBEL Full Length Die, please adhere to the following general safety guidelines:

- Always use the die in a wellventilated area to avoid inhalation of any dust or particles.
- Keep the work area clean and organized to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Ensure that all components are in good condition before use. Do not use damaged or worn parts.
- Keep the die and all related tools out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

When using the TRIEBEL Full Length Die, please observe the following specific safety precautions:

- **Hazard Identification:**
 - Be aware of potential pinch points while operating the die.
 - Use caution when handling sharp tools or components.
- **Correct Usage:**
 - Always ensure the die is properly secured in the press before use.
 - Do not exceed the recommended loading specifications for your ammunition.
 - Avoid overtightening the die, as this may lead to damage or malfunction.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 years and older. Ensure that minors are supervised if they are present during operation.

Instructions for Installation and Usage

Follow these instructions for the proper installation and usage of the TRIEBEL Full Length Die:

1. Installation:

- Ensure that the reloading press is securely mounted on a stable surface.
- Thread the die into the press using the 7/8" threads, ensuring it is tight but not overtightened.
- Use the lock nut to secure the die in place.

2. Usage:

- Insert the cartridge case into the die.
- Slowly push the cartridge case into the die until it is fully seated.
- Remove the cartridge case from the die and inspect it for proper sizing and neck tension.
- If necessary, replace the expander or ejector pin with minimal effort.

3. Calibration:

- Calibration occurs when the cartridge case is pushed into the die.
- Ensure that the neck of the case is calibrated correctly from the inside when removed from the die.

Disposal Instructions

When disposing of the TRIEBEL Full Length Die or any associated components, please follow these guidelines:

- Dispose of the die and any metal components in accordance with local regulations for metal recycling.
- Do not dispose of the die in regular household waste.
- For any electronic components, follow local electronic waste disposal regulations.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the designated EU contact point for assistance. Ensure that you have the product details and any relevant information ready for a prompt response.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Full Length Die. Thank you for your attention to these important guidelines.
