

# **BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 300 AAC Blackout - 7/8"**

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

AVAILABLE

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## **Specs:**

- Thread: 7/8"
- Neck Size Bushing (diameter): 8.3mm
- Expander (diameter): 7.8mm

# TRIEBEL BenchRest Neck Die Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This product is designed to provide exceptional precision and reliability for the 300 AAC Blackout caliber. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle the die and reloading equipment with care.
- Ensure that your workspace is clean, organized, and free from distractions.
- Follow all local laws and regulations regarding reloading and ammunition.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Use only the recommended components and accessories with this neck die.
- Read and understand all instructions and safety warnings before use.

## Specific Safety Precautions for Use

- Ensure that the die is securely mounted in your reloading press before use.
- Always wear appropriate safety gear, such as safety glasses and gloves, while reloading.
- Do not exceed the recommended load specifications for your ammunition.
- Avoid using the die if you are tired, distracted, or under the influence of substances that may impair your judgment.
- Be aware of the potential for accidental discharge when handling ammunition and reloading components.
- If you experience any issues during the reloading process, stop immediately and consult the manual or seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Securely attach the TRIEBEL BenchRest Neck Die to your reloading press using the 7/8" thread.
- Ensure that the die is aligned properly for optimal performance.

### 2. Usage:

- Insert the cartridge case into the guide sleeve of the die.
- Use the interchangeable precision ground bushing to size the neck of the cartridge case.
- If necessary, utilize the optional expander and primer ejector pin as per your reloading requirements.
- Follow the manufacturer's recommendations for adjusting the die settings based on your specific needs.

### 3. PostUse:

- After reloading, clean the die to remove any residue or debris.
- Store the die in a safe and dry location to prevent damage.

## Disposal Instructions

- Dispose of any damaged or worn reloading components in accordance with local regulations.
- Do not dispose of ammunition or reloading materials in regular household waste.

- Follow all applicable laws and guidelines for the disposal of hazardous materials.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, usage, or maintenance of the TRIEBEL BenchRest Neck Die, please consult the product manual or contact your local dealer.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for choosing TRIEBEL products, and happy reloading!
