

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 30-06 Springfield - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 7/8"
- Neck Size Bushing (diameter): 8.5mm
- Expander (diameter): 7.8mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL BenchRest Neck Die Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of the product. Please read this manual carefully before using the die to avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the TRIEBEL BenchRest Neck Die in accordance with the manufacturer's instructions.
- Ensure the die is suitable for the specific caliber of ammunition you are reloading.
- Keep the die and all reloading components out of reach of children and vulnerable individuals.
- Regularly inspect the die for wear or damage before each use.
- If you notice any defects or irregularities, discontinue use immediately and contact the manufacturer.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during reloading to protect against debris and chemicals.
- Follow all local regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Ensure that the workspace is clean, organized, and free of distractions.
- Only use the die with compatible reloading equipment and components.
- Do not exceed recommended load specifications for any ammunition.
- Always doublecheck the cartridge case before sizing to ensure it is free of obstructions.
- Avoid wearing loose clothing or jewelry that could become entangled in the reloading equipment.
- Store the die in a dry, secure location when not in use to prevent accidental damage or misuse.

Instructions for Installation and Usage

1. Installation:

- Secure the TRIEBEL BenchRest Neck Die in a reloading press that accommodates a 7/8" thread.
- Ensure that the die is tightened properly to prevent movement during operation.

2. Usage:

- Prepare your cartridge case by ensuring it is clean and free of any debris.
- Insert the cartridge case into the guide sleeve of the die.
- Slowly raise the reloading press handle to size the cartridge case. Ensure that the die is correctly aligned for precise sizing.
- If using the optional expander, follow the manufacturer's instructions for installation and use.
- After sizing, remove the cartridge case and inspect it for proper dimensions and any signs of damage.

3. PostUse:

- Clean the die after each use to maintain its performance and longevity.
- Store the die in its original packaging or a suitable container to protect it from damage.

Disposal Instructions

- Dispose of any defective or wornout components in accordance with local regulations for hazardous materials.
- Do not dispose of the die or any reloading components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the manufacturer's contact information provided in the product manual or packaging. Ensure that you have the product's article number available for reference.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience with the TRIEBEL BenchRest Neck Die. Always prioritize safety and compliance with relevant regulations while enjoying your reloading activities. Thank you for choosing TRIEBEL products.
