

# BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 308 Winchester - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## Specs:

- Thread: 7/8"
- Neck Size Bushing (diameter): 8.45mm
- Expander (diameter): 7.8mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL BenchRest Neck Die Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Always handle the die with care to avoid injury.
- Ensure that your workspace is clean and organized to prevent accidents.
- Use the die only for its intended purpose: reloading cartridges for the 308 Winchester.
- Keep the die and all associated tools out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the reloading of ammunition.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the die.
- Ensure that the reloading press is securely mounted and stable before use.
- Do not exceed the recommended specifications for the die, including cartridge dimensions and bushing sizes.
- Avoid distractions while reloading to maintain focus and precision.
- If you experience any difficulties during the reloading process, stop and consult the manual or seek assistance.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is clean and free of debris.
- Thread the TRIEBEL BenchRest Neck Die into the reloading press using the 7/8" thread.
- Tighten securely but do not overtighten, as this may damage the die or press.

### 2. Usage

- Prepare the cartridge case by cleaning and inspecting it for any defects.
- Insert the case into the guide sleeve of the die.
- Adjust the die as necessary to ensure proper alignment with the cartridge case.
- If using the optional expander, ensure it is properly installed before resizing.
- Follow the recommended loading procedures for the 308 Winchester cartridge.

### 3. PostUse

- After use, clean the die to remove any residue and prevent corrosion.
- Store the die in a safe and dry location, away from moisture and extreme temperatures.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For further assistance or inquiries, please refer to the manual for guidance on selecting accessories and spare parts.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and efficient reloading experience with your TRIEBEL BenchRest Neck Die.
