

# SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 308 Winchester - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 7/8"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Seater with Crimp Safety Instructions

## Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This product is designed for precision bullet seating and crimping, ensuring optimal performance and accuracy. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with the product before use.
- Always handle reloading equipment with care to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage on the product.
- Use the product only for its intended purpose as described in this manual.
- If you experience any issues or have questions, consult the manual or contact support.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the seater.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Do not exceed the recommended specifications for the product.
- Be cautious of sharp edges and moving parts during operation.
- Never leave the product unattended while in use.
- If you feel unwell or distracted, postpone using the product until you are fully focused.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the work area is prepared and free of any obstructions.
- Attach the TRIEBEL Seater to your reloading press using the 7/8" thread.
- Make sure the seater is securely fastened before proceeding.

### 2. Using the Seater

- Select the appropriate seater head for the bullet you are using to improve concentricity.
- Adjust the seating depth according to your specifications.
- Insert the cartridge case into the seater and position the bullet in the case.
- Pull the handle of the reloading press to seat the bullet.
- If crimping is required, adjust the crimping feature as needed.
- Inspect the completed cartridge for proper seating and crimping.

### 3. PostUse Care

- Clean the seater after use to prevent residue buildup.
- Store the product in a dry and secure location, away from children.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For safety inquiries or more information about the TRIEBEL Seater with Crimp, please refer to the product manual or visit the manufacturer's website for assistance.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the TRIEBEL Seater with Crimp. Always prioritize safety and consult the manual for any additional information or clarifications. Thank you for your attention to these guidelines.
