

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 416 Barrett - 1 1/2"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 1 1/2"
- Neck Size Bushing (diameter): 11.4mm
- Expander (diameter): 10.52mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRest Neck Die 416 Barrett

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This product is designed for precision and safety in mind. Please read this safety instruction guide carefully to ensure proper use and handling. By following these guidelines, you can help ensure your safety and the safety of others while using this product.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure you are familiar with the operation of your reloading press and related equipment before using the neck die.
- Store the neck die in a safe, dry place away from children and unauthorized users.
- Regularly inspect the neck die and associated equipment for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and consult with a qualified technician.
- Follow all local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Use protective eyewear when operating reloading equipment to protect against potential debris or accidents.
- Ensure the workspace is clean and organized to prevent accidents.
- Avoid distractions while reloading; focus on the task at hand.
- Do not exceed recommended load specifications as indicated in reloading manuals.
- Keep your hands and body clear of moving parts during operation.
- Ensure proper ventilation in your workspace to avoid inhalation of any dust or particles.
- Be cautious of hot surfaces and components during and after use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted.
- Attach the TRIEBEL BenchRest Neck Die to the press using the 1 1/2" threads.
- Check that the die is properly aligned and tightened before use.

2. Usage:

- Insert the cartridge case into the guide sleeve of the neck die.
- Ensure that the guide sleeve contours match the cartridge chamber.
- If using the optional expander, ensure it is properly installed.
- Operate the reloading press to size the cartridge case, ensuring smooth operation without excessive force.
- After sizing, remove the cartridge case and inspect for proper dimensions.

3. PostUsage:

- Clean the neck die after each use to prevent buildup of debris.
- Store the neck die in its original packaging or a dedicated storage case.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the neck die in regular household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that all materials are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the manual provided with the product or contact your local distributor for assistance. It is important to have access to support for any safety inquiries or product issues.

By adhering to these guidelines, you can ensure a safe and effective reloading experience with the TRIEBEL BenchRest Neck Die. Thank you for your commitment to safety and precision in your reloading practices.
