

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 50 Browning (50 BMG) - 1 1/2"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 1 1/2"
- Neck Size Bushing (diameter): 13.9mm
- Expander (diameter): 12.91mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL BenchRest Neck Die Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the die.

General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the TRIEBEL BenchRest Neck Die.
- Always wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Keep the work area clean and organized to prevent accidents.
- Store the die in a secure location out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding reloading and firearm safety.

Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for the cartridge being reloaded.
- Ensure that the die is securely mounted in the reloading press before use.
- Avoid placing hands near the die during the reloading process to prevent injury.
- Be aware of the potential hazards associated with handling gunpowder and primers.
- Always use the die in a wellventilated area to minimize exposure to fumes.
- If you experience any difficulties during the reloading process, stop and consult the manual for troubleshooting tips.

Instructions for Installation and Usage

1. Installation:

- Securely attach the TRIEBEL BenchRest Neck Die to your reloading press using the provided threads (1 1/2").
- Ensure that the die is aligned properly for accurate sizing of the cartridge case.

2. Usage:

- Insert the cartridge case into the guide sleeve of the die.
- Apply a steady and even pressure to the reloading press handle to resize the cartridge case.
- If using the optional expander, follow the instructions provided in the manual for proper installation and usage.
- After resizing, inspect the cartridge case for any defects or irregularities.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of gunpowder or primers in regular household waste; consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL BenchRest Neck Die, please refer to the product manual for further assistance. Additionally, you can access the EU Safety Gate platform for updates on product recalls and safety information.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy reloading with the TRIEBEL BenchRest Neck Die!
