

# BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 6.5 Creedmoor - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

## Specs:

- Thread: 7/8"
- Neck Size Bushing (diameter): 7.25mm
- Expander (diameter): 6.65mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL BenchRest Neck Die Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the die. Please read this manual carefully before using the product.

## General Safety Guidelines

- Always ensure that the reloading area is wellventilated and free from distractions.
- Keep the work area clean and organized to prevent accidents.
- Store the die in a safe place, out of reach of children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Familiarize yourself with the die's components and their functions before use.
- Always follow the manufacturer's instructions for use and maintenance.
- Be aware of the specific hazards associated with reloading ammunition, such as the risk of injury from sharp tools and the handling of gunpowder.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Improper use of the die may lead to misfires or damaged ammunition.
- Ensure that the die is compatible with your specific rifle caliber before use.
- Be cautious of the interchangeable bushing; ensure it is securely fitted to avoid accidents during reloading.

### • Instructions for Avoiding Hazards:

- Always doublecheck the alignment of the cartridge case in the die before sizing.
- Do not exceed recommended loads or specifications when reloading.
- Avoid using the die in a damp or wet environment to prevent rust and corrosion.
- Never leave the die unattended while in use.

### • Age or AudienceSpecific Warnings:

- This product is intended for use by individuals who are knowledgeable about firearms and ammunition reloading. It is not suitable for children or inexperienced users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Thread the TRIEBEL BenchRest Neck Die into the reloading press using the 7/8" threads.
- Tighten the die securely but do not overtighten.
- Insert the appropriate neck size bushing into the die.

### 2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for damage.
- Place the cartridge case into the guide sleeve of the die.
- Slowly and steadily operate the reloading press to size the cartridge case.
- If using the optional expander, follow the manufacturer's instructions for its installation and use.
- After sizing, inspect the cartridge case for any signs of damage or improper sizing.

### **3. PostUse:**

- Clean the die after use to remove any residue or debris.
- Store the die in its original packaging or a safe container to protect it from damage.

## **Disposal Instructions**

- Dispose of any damaged or unusable components of the die in accordance with local regulations.
- Do not throw away the die in regular household waste if it is still functional; consider donating or recycling if possible.
- Ensure that any spent cartridge cases are disposed of safely and in accordance with local laws.

## **Contact Information for Further Support**

For any questions or further assistance regarding the TRIEBEL BenchRest Neck Die, please refer to the manufacturer's contact information provided in the product packaging or manual.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with your TRIEBEL BenchRest Neck Die. Always prioritize safety and compliance with local laws regarding ammunition reloading.
