

SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 6.5 Creedmoor - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 7/8"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Seater with Crimp Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This product is designed for precision bullet seating and crimping, specifically for the 6.5 Creedmoor cartridge. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the TRIEBEL Seater in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and welllit when using the product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear.
- Do not modify the product in any way that may compromise its safety or performance.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper use may lead to accidents or injuries.
- Using incompatible components may affect the accuracy and safety of ammunition.

- **Instructions to Avoid Hazards:**

- Always ensure that the correct seater head is used for the bullet type.
- Do not exceed the recommended specifications for the cartridge.
- Use protective eyewear when seating bullets to prevent injury from debris.
- Avoid using the product if you are under the influence of drugs or alcohol.
- Ensure that the crimping process is performed correctly to avoid misfires.

- **AudienceSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Special caution should be taken when used by inexperienced users.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the reloading press is securely mounted to a stable surface.
2. Attach the TRIEBEL Seater to the reloading press using the 7/8" thread.
3. Select the appropriate seater head based on the bullet type you are using.
4. Ensure that the seater head is tightened securely before use.

- **Usage:**

1. Prepare the cartridge case by ensuring it is clean and free from debris.
2. Insert the bullet into the cartridge case.
3. Adjust the seater die to the desired seating depth.
4. If crimping is desired, ensure the crimping feature is engaged.
5. Operate the reloading press to seat the bullet into the case.

6. Inspect the completed cartridge for proper seating and crimping.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the product reaches the end of its life, dispose of it in accordance with local regulations for metal and plastic waste.
- Do not dispose of the product in household waste unless specified by local authorities.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seater with Crimp, please refer to the product manual or contact the manufacturer directly. Ensure you have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective reloading experience with your TRIEBEL Seater with Crimp. Thank you for your attention to safety and enjoy your reloading process!
