

BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 6.5 Creedmoor - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 7/8"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRestSeater 6.5 Creedmoor

Introduction

Thank you for choosing the TRIEBEL BenchRestSeater for your precision reloading needs. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read this guide carefully before using the seater.

General Safety Guidelines

- Ensure that you understand the operation of the TRIEBEL BenchRestSeater before use.
- Always wear appropriate safety gear, including eye protection, when handling ammunition and reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the seater and all reloading components in a secure location, out of reach of children and unauthorized individuals.
- Regularly inspect the seater for any signs of damage or wear. Do not use if damaged.

Specific Safety Precautions for Use

- Only use the TRIEBEL BenchRestSeater with compatible cartridges (6.5 Creedmoor).
- Do not exceed the recommended load limits for your ammunition.
- Ensure that the seater is securely attached to your reloading press before use.
- Avoid distractions while operating the seater to maintain focus and precision.
- When seating bullets, do so slowly and steadily to avoid damaging the bullet or cartridge case.
- Be aware of the potential for "bullet runout" and make adjustments as necessary to ensure concentricity.
- Always follow the manufacturer's recommendations for the appropriate seaterhead for the bullet being used.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is turned off and unplugged.
- Select the appropriate seaterhead for the bullet you will be using.
- Attach the seaterhead to the seater body by following the manufacturer's instructions.
- Securely mount the TRIEBEL BenchRestSeater onto your reloading press using the 7/8" thread.

2. Usage:

- Prepare your cartridge cases and bullets according to standard reloading practices.
- Insert a cartridge case into the seater, ensuring it is properly aligned.
- Place a bullet into the case mouth.
- Slowly lower the press handle to seat the bullet into the case. Monitor the process to ensure proper alignment.
- After seating, inspect the cartridge for any signs of misalignment or damage.
- Repeat the process for additional cartridges as needed.

Disposal Instructions

- Dispose of any damaged or worn components of the TRIEBEL BenchRestSeater in accordance with local regulations.

- Do not dispose of ammunition or reloading components in regular household waste. Follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For questions, concerns, or safety inquiries regarding your TRIEBEL BenchRestSeater, please refer to the manual provided with your product or contact your local distributor for assistance. Always ensure you have the latest updates and safety information.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Remember to stay informed about safety recalls and updates through the EU's Safety Gate platform. Thank you for prioritizing safety in your reloading practices.
