

# FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 6.5x47 Lapua - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

## Specs:

- Thread: 7/8"
- Expander (diameter): 6.65mm

All relevant components have an article number for easy reordering if necessary.

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# TRIEBEL Full Length Dies for Rifle Calibers Safety Instruction Guide

## Introduction

Thank you for choosing the TRIEBEL Full Length Die for 6.5x47 Lapua. This product is designed to help you size your cartridge cases safely and effectively. Please read this safety instruction guide carefully to ensure proper usage and compliance with safety regulations.

## General Safety Guidelines

- Always handle the die with care to prevent injury.
- Ensure that your workspace is clean and free of obstructions.
- Keep the die out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during operation.
- Follow all local laws and regulations regarding ammunition reloading and use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper handling may lead to injury.
- Misuse of the die can cause damage to the die and ammunition.

- **Avoiding Hazards:**

- Always ensure the die is securely mounted in the press before use.
- Do not force the cartridge case into the die; it should fit smoothly.
- Regularly inspect the die for wear or damage before each use.
- Replace any worn or damaged components immediately.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18. Ensure adult supervision if minors are present.

## Instructions for Installation and Usage

- **Installation:**

1. Securely mount the TRIEBEL Full Length Die in your reloading press using the provided lock nut.
2. Ensure that the die is aligned properly with the press to avoid misalignment during operation.

- **Usage:**

1. Insert the cartridge case into the die.
2. Operate the press to size the cartridge case fully.
3. Remove the case once the sizing operation is complete.
4. Check the neck tension of the case to ensure it meets your specifications.
5. If necessary, adjust the die position using the lock nut for optimal results.

- **Maintenance:**

- Regularly clean the die to remove any debris or residue.
- Store the die in a dry place to prevent rust and corrosion.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.
- Do not dispose of the die in general household waste. Check for recycling options or designated disposal sites for metal products.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIEBEL Full Length Die, please refer to your local distributor or manufacturer for assistance. Ensure you have the product details and any relevant documentation ready when seeking support.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
