

SEATER WITH CRIMP FOR RIFLE CALIBERS - TRIEBEL Seater with Crimp 6.5x47 Lapua - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Bullet Seater with crimp (Seat)

Our standard bullet seaters guide the bullet in an exact guide bushing. This ensures good accuracy.

The Bullet Seater is the solid choice for quickly seating the bullet.

As standard, the Bullet Seater offers the option to crimp the mouth of the cartridge case. This means that you can work with or without a crimp.

The seater-head can be easily replaced to another type. We offer various types of seater-heads.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

Specs:

- Thread: 7/8"

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Seater with Crimp Safety Instructions

Introduction

Thank you for choosing the TRIEBEL Seater with Crimp for Rifle Calibers. This product is designed to assist you in safely and effectively seating bullets for your reloading needs. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always follow the manufacturer's instructions when using the TRIEBEL Seater.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety glasses and gloves when operating the equipment.
- Regularly inspect the Seater for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper use may lead to injury or damage to the equipment.
- Crimping incorrectly can lead to dangerous ammunition.

• To Avoid Hazards:

- Do not exceed the recommended specifications for the Seater.
- Always ensure that the cartridge case is properly positioned before seating the bullet.
- Avoid using excessive force when operating the Seater.
- Ensure that the Seaterhead is securely attached before use.

• AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 years and older.
- Ensure that inexperienced users are supervised by a knowledgeable adult.

Instructions for Installation and Usage

• Installation:

1. Ensure that the Seater is clean and free of debris.
2. Attach the Seater to a compatible reloading press with a 7/8" thread.
3. Secure the Seaterhead of your choice based on the bullet type you will be using.
4. Check that all components are tightly secured before proceeding.

• Usage:

1. Prepare your cartridge cases and bullets according to standard reloading practices.
2. Insert the cartridge case into the Seater.
3. Place the bullet into the case mouth.
4. Use the reloading press to seat the bullet firmly into the cartridge case.
5. If crimping is desired, adjust the Seater accordingly and proceed to crimp the mouth of the

cartridge case.

6. Remove the completed cartridge from the Seater and inspect it for proper seating and crimping.

Disposal Instructions

- Dispose of any damaged or worn components of the TRIEBEL Seater in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information included in the product manual.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Seater with Crimp. Thank you for your attention to safety and for choosing our product.
