

# BENCH-REST-SEATERS FOR RIFLE CALIBERS - TRIEBEL Bench-Rest-Seater 6.5x47 Lapua - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The BR-Seater is your reliable partner for highest precision in seating match bullets, or whenever in questions of "bullet runout", there is no room for compromise.

Thanks to the guide sleeve which is modelled like the cartridge chamber, the cartridge case will receive perfect axial guidance during the seating operation.

Also, the bullet will be guided in the same process.

This ensures perfect concentricity.

Of course, the seater-head is replaceable. Various types of seater-heads are offered.

Choosing the correct seater head for the bullet used often improves concentricity significantly.

## Specs:

- Thread: 7/8"

**You will find further instructions and assistance in selecting accessories and spare parts in the manual.**

# Safety Instruction Guide for TRIEBEL BenchRestSeaters for Rifle Calibers

## Introduction

Thank you for choosing the TRIEBEL BenchRestSeater 6.5x47 Lapua. This product is designed to provide the highest precision in seating match bullets. Proper use and maintenance of this product are essential for ensuring safety and optimal performance. Please read this guide carefully before using the seater to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the seater for any signs of wear or damage before use.
- Always wear appropriate safety gear, such as eye protection, when using this product.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby during operation.
- Follow all local laws and regulations related to the handling and use of firearms and ammunition.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use may lead to accidents or malfunctions.
- Ensure that the cartridge case is properly aligned to avoid misfires.
- Do not attempt to modify the seater or use it with incompatible components.

### • Avoiding Hazards:

- Always ensure that the seater is securely attached to a stable surface before use.
- Use only the appropriate seaterhead for the bullet being used to improve concentricity.
- Do not exceed the recommended specifications for the product, including thread size and cartridge type.

### • Age and AudienceSpecific Warnings:

- This product is intended for use by individuals who are knowledgeable about firearms and ammunition.
- It is not suitable for use by children or individuals without proper training.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work area is clean and free of obstructions.
- Securely attach the TRIEBEL BenchRestSeater to a stable reloading bench or workstation.
- Confirm that the thread size (7/8") matches the equipment you are using.

### 2. Usage:

- Before beginning, inspect the seater and ensure that the guide sleeve is clean and free of debris.
- Insert the cartridge case into the guide sleeve, ensuring proper alignment.
- Place the bullet into the case mouth, ensuring it is seated correctly.

- Gently lower the seaterhead onto the bullet and apply even pressure to seat the bullet in the cartridge case.
- Check the concentricity of the seated bullet and make adjustments as necessary.
- After use, clean the seater to maintain its performance and longevity.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check with local authorities for specific disposal guidelines related to firearms accessories.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TRIEBEL BenchRestSeater, please consult the product manual or contact your local dealer. Remember to always prioritize safety and compliance with applicable laws when using this product.

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL BenchRestSeater. Thank you for your attention to safety and responsible use.
