

FULL LENGTH DIES FOR RIFLE CALIBERS - TRIEBEL Full Length Die 9.3x62 - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The FL dies is used to size the cartridge case on full length.

In addition to a removable expander our FL dies have an integrated primer ejector pin.

All used spindles, the expander and ejector pin can be replaced easily if necessary, with just little effort.

Calibration takes place when the cartridge case is pushed into the die. The neck of the case is calibrated from the inside when it is moved out of the die. This will form the cartridge case and achieves a correct neck tension.

The correct position of the die in the press is set with the lock nut.br>

Specs:

- Thread: 7/8"
- Expander (diameter): 9.25mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

TRIEBEL Full Length Dies for Rifle Calibers Safety Instruction Guide

Introduction

Thank you for choosing the TRIEBEL Full Length Die 9.3x62. This guide provides important safety information and instructions to ensure the safe and effective use of your die. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Keep the die and all related components out of reach of children and vulnerable individuals.
- Regularly inspect the die and its components for any signs of wear or damage. Do not use damaged equipment.
- Follow all local laws and regulations regarding the reloading of ammunition.

Specific Safety Precautions for Use

- Always use the die in a wellventilated area to avoid inhalation of any dust or debris.
- Use the die only for the specified cartridge caliber (9.3x62 Mauser).
- Ensure the die is securely mounted in the press before use.
- Do not exceed the recommended load specifications for your cartridges.
- Be cautious of the ejector pin and expander; ensure they are functioning correctly before use.
- Avoid wearing loose clothing or jewelry that could become caught in the die or press.

Instructions for Installation and Usage

1. Installation

- Ensure that the press is turned off and unplugged before installation.
- Remove any existing dies from the press.
- Insert the TRIEBEL Full Length Die into the press and tighten it securely using the lock nut.
- Ensure that the expander and ejector pin are properly installed and functional.

2. Usage

- Place the empty cartridge case into the shell holder of the press.
- Raise the ram to push the cartridge case into the die.
- The neck of the case will be calibrated as it moves out of the die.
- Check the neck tension of the case to ensure it meets your specifications.
- If necessary, replace any worn components (expander, ejector pin) with minimal effort.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Check for local recycling programs for metal products.
- Ensure that all packaging materials are disposed of properly.

Contact Information for Further Support

For any safety inquiries, concerns, or support related to the TRIEBEL Full Length Die, please refer to the contact information provided in the product manual or on the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your TRIEBEL Full Length Die 9.3x62. Always prioritize safety and adhere to the guidelines provided in this manual. Thank you for your attention to these important safety measures.
