

BENCH-REST NECK DIES FOR RIFLE CALIBERS - TRIEBEL Bench-Rest Neck Die 9.3x62 - 7/8"

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Bench-Rest (BR)-Neck-Die guides the cartridge case over the full length before the cartridge case will be formed with an interchangeable precision ground bushing.

The guide sleeve has the internal contour of the cartridge chamber to cover the cartridge case.

The guide sleeve and the body of this reloading-die are perfectly matched to ensure exact axial alignment of the cartridge during the sizing process.

Of course, the BR-Neck-sizer has an optional expander and the exchangeable primer ejector pin.

This die is the perfect choice for those, who want to leave nothing to chance when reloading.

Specs:

- Thread: 7/8"
- Neck Size Bushing (diameter): 9.8mm
- Expander (diameter): 9.25mm

All relevant components have an article number for easy reordering if necessary.

You will find further instructions and assistance in selecting accessories and spare parts in the manual.

Safety Instruction Guide for TRIEBEL BenchRest Neck Die 9.3x62

Introduction

Thank you for choosing the TRIEBEL BenchRest Neck Die for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before using the die.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling reloading equipment.
- Ensure that your work area is clean, welllit, and free from distractions.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Only use the die for its intended purpose as specified in this manual.
- Regularly inspect the die for signs of wear or damage. Do not use if any parts are damaged.
- Follow all local laws and regulations regarding ammunition reloading and firearms.

Specific Safety Precautions for Use

- Ensure that the die is securely mounted to your reloading press before use.
- Do not exceed the recommended specifications for cartridge dimensions as outlined in this manual.
- Always check that the die is properly adjusted before starting the reloading process.
- Be cautious when handling primers and powder; these materials can be hazardous.
- Avoid distractions while reloading to maintain focus and concentration.
- In case of an accident or injury, seek medical attention immediately.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is compatible with a 7/8" die.
- Securely attach the TRIEBEL BenchRest Neck Die to the reloading press, ensuring it is properly aligned.
- Insert the interchangeable precision ground bushing according to the specifications for your cartridge.

2. Usage

- Begin by preparing your cartridge cases: clean and inspect them for defects.
- Insert a cartridge case into the die, ensuring it is seated properly.
- Operate the reloading press to size the cartridge case. The die will guide the case through the sizing process.
- If using the optional expander, follow the instructions for its installation and use.
- After sizing, check the dimensions of the cartridge case with calipers to ensure they meet specifications.

Disposal Instructions

- Dispose of any unused or expired reloading materials, such as powder and primers, according to local regulations.
- Do not dispose of reloading components in regular household waste.

- Contact local waste management authorities for guidance on the proper disposal of hazardous materials.

Contact Information for Further Support

For further assistance, please refer to the product manual or contact your local dealer. Ensure you have the product's article number for quick reference.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the TRIEBEL BenchRest Neck Die!
