Safety Instruction Guide for TRIEBEL Seaterhead Caliber 10,3/.415 Type: R55

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 10,3/.415 Type: R55. This product is designed to enhance your reloading experience while ensuring safety and efficiency. It is essential to read and understand this safety instruction guide to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Regularly check for any signs of wear or damage before use.
- In case of any malfunction or damage, cease use immediately and consult the manual or a qualified technician.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection and gloves, when handling this product.
- Ensure that the workspace is clean and free from any obstructions to avoid accidents.
- Do not exceed the manufacturer's specifications regarding caliber and usage.
- Avoid using the product in wet or damp conditions to reduce the risk of electrical hazards.
- Ensure that all components are securely attached before use.
- Be cautious when handling tools and equipment associated with this product to prevent cuts or injuries.

Instructions for Installation and Usage

1. Installation:

- Ensure that your work area is clean and welllit.
- Gather all necessary tools before beginning the installation.
- Follow the steps outlined in the product manual for proper installation.
- Ensure that the Seaterhead is securely fastened to the reloading press.

2. Usage:

- Always refer to the manual for specific instructions on how to operate the Seaterhead.
- Use the product only with compatible crimp and benchrest seaters from Triebel.
- Check the diameter setting (0.415 inches) before commencing reloading.
- Maintain a steady hand and focus while operating the equipment to ensure precision and safety.
- After use, clean the product according to the maintenance instructions in the manual.

Disposal Instructions

- Dispose of the product and its components responsibly.
- Follow local regulations for disposal of nonfood products.
- Do not dispose of the product in general waste; consider recycling options if available.

Contact Information for Further Support

For any inquiries or additional support regarding the TRIEBEL Seaterhead, please refer to the product manual for contact information. It is important to reach out to the manufacturer or an authorized dealer for assistance with safety concerns or product issues.

Thank you for prioritizing safety while using the TRIEBEL Seaterhead. By following these guidelines, you contribute to a safer environment for yourself and others.
